

HUATICOCHA WELCOME PACKET 2016

SHORT-TERM MISSIONS GUIDE We're excited for you to come and be a part of the larger Church movement happening in Ecuador. Ecuador is an exotic country with jungle, coastal, mountainous terrain and has large urban cities full of people who need Christ. Inca Link is focused on reaching the 300 million youth in Latin America with Christ's irresistible love. We do this through discipleship and evangelism, training leaders, connecting people, and compassion ministries. We are devoted to helping the least of these and we need your help!

*And the King will answer them, "Truly, I say to you, as you did it to one of **the least of these** my brothers, you did it to me." -Matthew 25:40*

MEET THE TEAM: HUATICOCHA

MARK and CHERYL SHAFER Mark and Cheryl have been in Ecuador since 2002, serving with Inca Link since 2007. They left their family business to become missionaries after serving on short term mission trips and seeing the great need. They have worked with indigenous people in Ecuador, trained leaders in Nicaragua, and helped plant churches in both countries. Mark currently co-directs the Ninawachi Mission School and oversees ongoing missionary work among the Kichwa, Shuar and Huaorani people. They also help host teams and interns in Huaticochoa.

JIM ZOSCHG Jim is a two-time returning intern who, in 2012, took the step to work as a full-time missionary with Inca Link in Ecuador. Jim loves Latin America and its people. His passion is working in rural and indigenous communities, sharing the Gospel of Christ with those living without hope. He spends about half of his time working in hard to reach communities. Jim also oversees food production for Ninawachi on three of its farms.

ALVARO VALLADERES Originally from Nicaragua, Alvaro graduated from Cosecha Mundial Missions School. Alvaro joined Inca Link Ecuador and the Ninawachi Missions School in 2012. He serves as a Co-Director and professor. Alvaro has many gifts which include leading worship and painting.

ULISES PINEDA Ulises is from Somoto, Nicaragua, where he graduated from Cosecha Mundial Missions School. Ulises has worked extensively in rural indigenous communities fulfilling the Great commission through evangelism and discipling new believers and strengthening small, struggling churches since 2008. Now he serves as a professor at Ninawachi Missions School in Huaticochoa.

ABOUT NINAWACHI MISSION SCHOOL in HUATICOCHA, ECUADOR:

VISION:

Formerly known as the Huaticocha Missions School, Ninawachi's vision is to reach out to the forgotten and impoverished jungle communities of Latin America with the love of Christ.

MISSION:

Ninawachi's mission is to train indigenous youth to be missionaries, send them out to the forgotten people throughout the jungle regions to make disciples in these communities and connect them to the body of Christ.

MINISTRY OPPORTUNITIES:

Teams going to Huaticocha will have the opportunity to come alongside Ninawachi staff, students and graduates and assist them in their ongoing work. This work includes construction, vacation Bible school, home visits, agriculture, soccer ministries, outreaches, etc. and can be located at several ongoing ministry sites in the two Northern Provinces of Ecuador, Orellana and Succumbios.

SAMPLE SCHEDULE:

Based on your team's goals and Inca Link's needs, we believe the Lord will direct us in designing a unique experience for you. This unique experience may not be planned until you arrive in the country—it's hard to know the need of the local church six months in advance! We ask that you come open and ready to serve. This is an idea of what a schedule may look like—most days will involve construction and children's ministry.

FRIDAY

Generally international arrivals are later in the evening, so you will go directly to Casa Blanca (in Quito) upon arrival. On the hour trip from the airport to Casa Blanca, you will receive a brief orientation.

GEOGRAPHICAL LOCATION: BASIC FACTS

AMAZON BASIN ECUADOR, located in the mid-western part of South America and bordered by Colombia and Peru, is rich in tradition and diverse cultures. Most of the Ecuadorian jungle is inhabited by indigenous people. However, there are Mestizo, a combination of European (Spaniards) and Indigenous Quichua Indians which the locals call colonials. Their complex history is deeply ingrained in Ecuadorian philosophy, from family structure to religion, with Catholicism as the dominant religion. The rain forest averages around 80 to 90 degrees Fahrenheit and very humid. Rainfall averages about 12 feet a year.

FREQUENTLY ASKED QUESTIONS

WHAT VACCINATIONS/MEDICATIONS DO WE NEED? We require that all short-termers have Hepatitis A and B, and an up-to-date Tetanus shot. We recommend if you are not staying in the city of Quito that you get Yellow Fever vaccination, but this is not required. We highly recommend bringing some sort of stomach/diarrhea medicine. **Also, since you will be in the jungle, we highly recommend that you take malaria pills.**

*Inca Link has set a rule that for 2016 teams, **pregnant woman should not participate in trips this year** due to the danger of the Zika virus. We're sorry if this causes any inconveniences for your team.

WILL WE NEED TO PREPARE A CHILDREN'S PROGRAM? We recommend that your team be prepared for a children's program or VBS. The team will be responsible for providing curriculum and all materials needed to do the program, including: crafts, prizes, etc. There are several opportunities to serve children like at the garbage dump, orphanages, schools, churches, soccer camps, etc. It is always appreciated to have the teams lead music, skits and games. We encourage your team to learn some songs in Spanish. If dramas or skits are used, please make sure they are in Spanish. Be as creative as you would like. This also is a great team building activity as you prepare for your trip!

PACKING

IS THERE A DRESS CODE? People in Ecuador are more conservative than in North America. To be effective in ministry, we want to respect our Ecuadorian brothers and sisters while in their country by striving to imitate their dress customs. ***We do not recommend wearing shorts or flip-flops in the jungle to protect from insect bites. Please plan to wear pants and closed toe shoes for the duration of your time in Huaticocha.** (You can bring one pair of flip-flops for shower shoes.)

WOMEN:

- Anything is acceptable to wear to church except shorts or flip-flops.
- Sweatshirts or warm jacket is recommended for the cool evenings.
- Wear protective clothing on work sites.
- Tank tops are not allowed.**

- Guys must wear pants or jeans to church. No shorts or flip-flops.
- Sweatshirts or warm jacket is recommended for the cool evenings.

TRAVEL

WHAT AIRPORT SHOULD WE FLY INTO? You will need to fly into Quito, Ecuador (UIO). From there your team has the option to bus or fly to Huaticocha.

- **Bus:** The price to bus to Huaticocha is included in the price of the trip. It takes 6 hours to bus from Quito to Huaticocha. So note, if you choose to bus, your team will lose two days in ministry due to travel. You will arrive back in Quito two days before your departure to ensure your team makes your return flight home.
- **Fly:** If you want to fly to gain more ministry time in Huaticocha, your team will need to look into flights from Quito to Coca (OCC). Since you will be spending more on flights, we will discount your trip \$50/ person if you choose this option.

DO WE NEED A VISA? You will only need a valid passport to enter Ecuador. Your passport must be valid for at least 6 months from your departure date, or the airlines will not allow you to fly out. You do not need to apply for a visa before coming down. Once you arrive in Ecuador, you will be given a tourist visa for 30-90 days for free.

OTHER QUESTIONS:

IS THERE AN AGE REQUIREMENT? We encourage family mission experiences! Children 12 years old and younger must be accompanied by a parent on the team.

WHAT ARE THE LIVING ACCOMODATIONS? You will most likely be staying in the dorms at the mission school, which could be a twin bed, air mattress, or on the floor. If we stay overnight in a community you will likely sleep on throw mattresses with mosquito nets which we will provide.

WHAT IS THE WEATHER LIKE? You should expect very warm and humid weather (highs in the 90's and lows in the 70's). We do recommend you still bring one jacket for your brief time in Quito, since it is cooler. ***Note: even though it is warm, you will be wearing pants (not shorts!) for safety reasons.** We suggest you go to a store and invest in some lightweight work pants for this trip.

WHAT WILL THE MEALS BE LIKE? Meals are prepared with the utmost care. You will have opportunities to try food that is typical to Ecuador, but also food that you recognize and will enjoy.

WILL THERE BE SNACKS TO PURCHASE? We recommend that you bring snacks from home (to leave with the missionaries), but we also recommend you be ready to try new and different snacks from Ecuador.

IS THERE A WAY TO CONTACT HOME? Internet is available at some locations, but not all. We encourage you to "unplug" while serving. (Note: Contacting home is available if there is an emergency.)

ARE THE ELECTRICAL OUTLETS THE SAME? Yes, the outlets are the same as they are in North America.

WHAT TYPE OF CURRENCY IS USED IN ECUADOR? Ecuador uses the United States dollar. You will want to bring clean cash (not torn and no markings). Smaller bills (\$20 or less) are required. Credit and Debit cards are accepted, but you will usually find a small international fee for using it. We do not recommend checks, travelers' checks or money orders, because they are very difficult to use! Ecuador uses the US dollar, so if you are coming from the US, you do not have to exchange your money.

WHAT SHOULD I EXPECT UPON ARRIVAL? Someone with Inca Link apparel will be at the airport to pick you up. If we are not there, do not walk outside. We will be there shortly. Feel free to contact anyone on the list that was provided for you.

WHAT ITEMS CAN WE BRING TO DONATE? Email info@incalink.org for an updated wish list from each ministry.
