## MINISTRY OPPORTUNITIES

**MEROA 8** Due to difficult circumstances, including illiteracy and poverty, the local Christians started a Bible school program to be able to impact the community with the irresistible love of Christ, and also are using the community soccer field to be able to teach this sport to children and do discipleship work.

**QUIMISTAN COMMUNITY** This project, started by Martha, a local woman with a heart for Christ, serves 300 children and their families. Due to health issues in Martha's family, she is not able to stay in Quimistán very often, so we are taking the initiative to support her beautiful vision, discipling children, pre-adolescents, teenagers, young adults, mothers and fathers.

**PUERTO CORTES** A place where we can take some time to rest, pray, think about how God is speaking to us during all this time in Honduras and what God has for us in the future.

## SCHEDULING DETAILS

Trips are available most anytime during non-summer months. During the summer we ask teams to fall into one of these blocks:

**June 11-20th**

**June 25- July 4th**

**July 9-18th**

**July 23- Aug. 1st**
