

EXCEEDINGLY, ABUNDANTLY, ABOVE

INCA LINK INTERNATIONAL
2024 ANNUAL REPORT

A NOTE FROM RICH & ELISA

To Him who is able to do immeasurably more than all we ask or imagine — this truth has anchored our hearts as we reflect on God’s work through our ministry. Throughout 2024, we have seen His power at work in ways that have surprised, challenged, and stretched us. Every step forward has been a reminder that He is not limited by our vision but instead invites us into something far greater. This year, God has opened doors, bringing new connections, deeper transformation, and broader impact across Latin America’s youth. Together, we are witnessing His power at work, calling us to trust Him even more for 2025.

In Christ,
Rich and Elisa Brown
Founders & President

GLOBAL OUTREACH MINISTRIES

AS SHARED BY GLOBAL OUTREACH DIRECTOR STACEY POPE

Fifty-five international Global Outreach Teams and seven US soccer camps with a total of 466 volunteer participants served across our Inca Link countries throughout 2024. Our teams included youth and adult church groups, schools, various pastoral vision trips, family teams and athletic organizations.

GLOBAL OUTREACH INTERNS

Nine Global Outreach interns served with Inca Link in 2024 across multiple countries, ministries and fields of service. Many thanks to the following for sharing their time, knowledge and love with our ministry leaders and those they serve!

Elizabeth Bivins - Perú

Hannah Cai - Perú

Everet Carter - Honduras

Johann Maas - Ecuador

Jessica Marty - Ecuador

Aimee Grace Embaba Ngatse - Perú

Kayla Norton - Ecuador

Jessica Reynolds - Perú

Claudia Tobon - Colombia

2024 YEAR-END CAMPAIGN

As we squint our eyes and ears to see and hear what God is doing, we have been seeing so many opportunities for new life in Colombia. Many children grow up in conditions of neglect, abuse, and dysfunction.

Zoe Home hopes to break this cycle.

Zoe Home and its ministries of discipleship and "life training" will provide hope and a future filled with the promise of life for these teens. Their late adolescent years are, in many cases, the last opportunity to redirect the course of their lives as they stand on the precipice of a life on the street, a life of drugs, crime, and cycles of economic and spiritual poverty.

Their vision is to see Colombian teens breaking out of these generational cycles of spiritual and economic poverty while growing into independent young adults passionate about doing life with the Lord and impacting those around them to do the same. But they need your help to purchase a multi-use house, which will serve as its ministry base into the lives of disenfranchised teens and provide housing for interns and global outreach teams serving in Colombia.

**Your generosity can make a lasting difference in their lives,
empowering them to experience transformation and hope.**

Will you consider partnering with us?

INCA LINK COLOMBIA

AS SHARED BY MISSIONARIES PAUL & LINETH OVERMOYER

We added two new ministries to Inca Link Colombia: Proyecto Confianza and Creart. We have continued laying the groundwork for Zoe Home establishment. We also opened new opportunities for internships in Cartagena, hosted 3 teams and an intern, and spoke at a missions retreat for another mission agency in Colombia. Currently, Lineth and I have ongoing one-on-one discipleship with seven young adults.

WE ARE THANKFUL FOR:

- We added two new ministries.
- Laying groundwork for fundraising for Zoe Home.
- Opened opportunities for internship in Cartagena.
- Ongoing discipleship with young adults.

PLEASE PRAY:

- For fundraising for Zoe Home and that the Lord brings those specific young people along that will be the first Zoe teens to be impacted by this ministry.

OASIS FORMAVIDA

AS SHARED BY MISSIONARIES PAUL & LINETH OVERMOYER
& NATIONAL LEADER LUCY LANCHEROS

María Fernanda, "Mafer", has been coming to the Oasis after-school program for nearly seven years now. When she started the program, she was the only child from her family that would come. Now, she is joined by her older brother Johan, and her younger sister, Lucy. Mafer knows the Lord Jesus and her participation in Oasis has given its staff opportunities to share the gospel with her parents.

Mafer has taken a special interest in soccer, and especially Oasis' "circus acts" program where she has learned traditional Colombian dances and even aerial dancing (where people hang down from long cloths and swing around). Oasis has instilled in her a desire to study at university, become a young professional and most importantly, do life with Jesus.

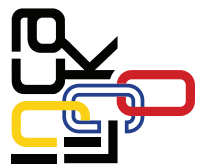

WE ARE THANKFUL FOR:

- All the support received during this year, each group that served in our program and each contribution to our ministry.
- Each donor who makes an important contribution to the development of the ministry with the children of Oasis.
- The lives of the directors and founders of Inca Link International and Inca Link Canada and Inca Link Colombia for letting the Lord use them to be a channel of blessing for this community.

PLEASE PRAY:

- For guidance and direction from God for the formation of each member of this program.
- For the provision of a team to attend to the little ones.
- For financial resources to be able to continue to meet the demand we have of children waiting to be cared for.
- For us as a family that God will renew our strength and fill us with His power to advance in what He has called us to do.

ZOE HOME

AS SHARED BY MISSIONARIES PAUL & LINETH OVERMOYER

Zoe Home invested in the lives of two young adults this year by helping them to explore educational direction for their lives, see how God is inviting them to let Jesus live through them, and explore setting healthy boundaries within their family relationships.

One of these young adults, Juan Carlos, grew up going to Oasis and wants to attend a Bible Institute in January of 2025. He joined us on Link Year for six months last year, and this trip was made possible

by sponsors of the Oasis program who have had an ongoing interest in him, his brothers, and his sister, for several years.

Lineth and Paul saw great growth in him during Link Year and were even more excited to continue meeting with him one time per week through this ministry to talk about the Lord and how Jesus lives His life through us.

WE ARE THANKFUL FOR:

- One young lady came to know Jesus as her Savior. Other young people are learning that God is a safe person to be with. People have started donating for the purchase of a Zoe Home property.

PLEASE PRAY:

- That we will be able to purchase a Zoe Home property.

New Team Members

Paola Granados Morera

DIRECTOR - PROYECTO CONFIANZA

HOW DID THE LORD LEAD YOU TO THIS ROLE?

In March, God invited me to walk in a ministerial transition that involved pain, but at the same time a lot of hope. At that time I met with Inca Link Colombia to talk about my passion to continue developing the project that God gave me years ago to equip believers and new generations to live an authentic faith through discipleship and biblical teaching.

Paul and Lineth's words of affirmation and acceptance deeply blessed my heart and communicated to me God's endorsement in who I am and what I do. I am excited to continue working for the Lord as a part of Inca Link.

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

This year has been one of many changes and opportunities that have allowed me to recognize the value of my entire ministry journey and God's interest in making it more visible and impactful for the fulfillment of the great commission.

I have seen God's intervention in a supernatural way in my life, in my character, in my faith, in my family, and in the ability to continue walking through difficulties and my limitations by his grace and love.

I AM THANKFUL FOR:

- God's faithfulness and support in every area of my life. For working for good in everything that happens and for letting me experience his love and compassion and reproduce it in me toward the people I minister to. For his presence and his grace in me.
- For allowing me to be the author and developer of a ministry framed in compassion and empathy to bless many. Because of my trust in Him, His trust in me, the trust of those who are reached, and the trust of those who support me and walk with me.
- I am grateful to the Inca Link family for their openness, welcoming spirit and support. I admire the great sense of belonging they project and the love with which they carry out their mission by inviting many to participate.

HOW CAN WE PRAY FOR YOU?

- For wisdom and grace to effectively develop relationships and teach young people and adults.
- For the provision of health and family support.
- For God's healing and restorative intervention in the life of every person who longs to grow and rest in Him.

INCA LINK COSTA RICA

AS SHARED BY MISSIONARIES IGNACIO "NACHO" RM & ERIN JARVIS

This year was very productive for Inca Link Costa Rica (ILCR). In the community of Higuito, Veracruz, we were able to enter a public school with more than 600 students, there we did several remodeling projects of the school facilities. We also had the opportunity to conduct three Bible classes where we were able to share the gospel with more than 200 children.

Also, this year we were able to team up with the association of Montufar (where we carry out the basketball and soccer ministry). We were able to give English classes to the community of Montufar in the association's hall, where we reached an agreement where they will allow us to host our global outreach teams. This is a great achievement for ILCR because we will no longer lose time in transportation and we will be able to use 100% of the time in the community.

We got to see so many teams come through here and work with us, while sharing God's love to hundreds of kids around our area. We ran everything from a VBS in a public school, to construction projects in our local church, school, and cafe. It's been amazing to see how God has connected a great relationship to come out of the work we've been doing here. The partnerships we've been able to make are unreal, and we couldn't be more grateful.

WE ARE THANKFUL FOR:

- God allowed us to have our first teen camp this year with the church of Tres Ríos, we started this camp with no funds and God gave us everything we needed through many donations (two donations were from churches of global outreach teams that came to help us in ILCR) and sales that we made.
- God is opening doors for us in the public schools. This year we were able to team up with two schools to be able to share the gospel with hundreds of children.
- God also brought us five full-time missionaries this year. God has given us a wonderful team to be able to continue to grow His kingdom.

PLEASE PRAY:

- That God would continue to open doors for us to share the gospel.
- For the ministry of Katamanthano, that God will help us start it next year.
- For our financial engines of Tucántico Cafetería and Tucántico Veracruz, that these financial engines will be prosperous and also be a tool to expand his Kingdom.

CUMBRE ALTA COSTA RICA

AS SHARED BY MISSIONARY IGNACIO "NACHO" RM

This year was very productive for the basketball ministry. We have had the opportunity to see the kids grow because the ministry has been operating for almost three years now. Many of them are currently attending church and are also in the teen groups, children's groups and also in the worship group.

This year, because of the good work in the ministry, we have been able to start a working relationship with the Montufar association. Also, thanks to the work we have been doing in the park where the basketball ministry takes place, the public school of Montufar contacted us to see if we can help them with some projects. This will be a great blessing because next year we plan to have one or two Bible schools inside the school.

We kept the ministry active all year with very good attendance from the community and we were able to teach them virtues and study what the Bible says about those virtues. We were also able to share the love of God with the whole community and to share the gospel.

WE ARE THANKFUL FOR:

- God opened doors for us to enter the Montufar public school (something we had been praying for).
- God allowed us to partner with the Montufar association to be able to host our global outreach teams.
- God allowed some of those who attend the basketball ministry to begin to congregate in the Tres Rios church. Some of them also went to camp and I have seen how they have grown in their relationship with God.

PLEASE PRAY:

- That God will continue to open doors for us in this community that we love so much (Montufar) and that we can show his love to every child and every person that comes to the basketball ministry.

KATAMANTHANO

AS SHARED BY MISSIONARY OSIRIS CT

I arrived in Costa Rica (CR) in September 2024. It has been a great honor and pleasure to meet a group of students at the college campus in the University of Costa Rica (UCR) that meet regularly for Bible study - (ECU) Estudiantes Cristianos Unidos (United Christian Students). They are on fire for the Lord and have been great at opening up to me.

The Lord has also allowed some discipleship opportunities with Katia, a former University professor who attended one of our ESL classes with us this summer. She has introduced me and been my tour person at the University. The Lord has also allowed some discipleship opportunities with the girls at ECU which has been amazing.

The goal for Katamanthano is to develop the next generation of missionaries. As the Lord allows, the college students are also being involved with our group basketball ministries and ESL. I am excited to start weekly ESL with college students and start to work on a curriculum to host interns from North America for 2025.

WE ARE THANKFUL FOR:

- Building relationships in CR.
- Open doors on campus.
- Investments and discipleship with other women/girls and evangelism opportunities.

PLEASE PRAY:

- For Christlikeness; that we would be able to show the love of God to many who don't know Christ and train and disciple those who do know. That He would continue to open doors and provide opportunities where we can share the gospel and make connections.
- For the startup of hosting interns. For the logistics of the program and for the people He will send to come prepared and grow to be ready to go and make disciples.
- For strength and for laborers that would come to serve Jesus.
- For local nationals to join what God is doing through Inca Link. That we would identify, train and develop the next leaders.

TUCÁNTICO CAFETERÍA

AS SHARED BY MISSIONARIES LUKE AND MADDY HADEED

In February 2024, Tucántico Cafetería (ILCR's first financial engine) opened! Throughout this year, we have made numerous menu changes to try to attract more business, we have made cosmetic changes to make the cafe a more inviting space, and through many ups and downs, we have hired two wonderful employees!

We have been using many different marketing tactics including coffee samples on the college campus, free English classes in the cafe, creating student combos, buy one get one free pastries on Fridays, and of course social media! Through these strategies, we now have regular customers and are becoming more known throughout UCR (the local college campus) with groups of students coming to the cafe to study or just hang out!

We had the opportunity to host all the teams that came through ILCR at the cafe for some of their meals and through their support as well as an increase in business, July was Tucántico's first month of self sustainment!

In August, we tossed around the idea of Tucántico becoming mobile to help market our brand throughout the city, but also to create more income. In October, Tucántico went mobile for the first time at a local two-day cultural festival! The festival was a huge success and we are already signed up for three more local fairs/festivals! We are excited about these opportunities as we believe they will push us into more months of self-sustainment and ministry profit!

WE ARE THANKFUL FOR:

- While hosting ESL classes at the cafe, we met a student named Jairo. It became evident to us that he does not know the Lord, but one day as he was walking back to campus with another ESL student, he shared with her that something felt different about Tucántico and the people there. This is a huge answer to prayer as Luke and I (Maddy) have been praying for that exactly since before we even landed in Costa Rica – that Tucántico would be a place that overflows the love of Jesus and that He would be evident to all who walk in. Jairo expressed his desire for community and continued English learning, which has created an opportunity for Luke to meet with him on a weekly basis practicing English, but also sharing Jesus.
- Luke and I have had the opportunity to start a Bible study out of our home every Friday night on the book of John with about seven students, two of whom are our employees! This has created another opportunity, specifically with our employee Raquel, to share with her who Jesus really is. One night at Bible study, Luke asked how everyone had seen God in the passage. When it came time for her to answer, she shared just how amazed she was at who God is because she had never heard these things about God before or read these passages before. It's just so amazing to us how when we pray for opportunities to share Him with others, He places them right in our lap.
- Huge praises for July being a month of self sustainment after only being open for 5 months!

PLEASE PRAY:

- For Tucántico's growth as a business. That an influx of customers would come, but also that this would be a place that overflows the love of Jesus to all who walk in.
- For more self-sustaining months that turn into profiting months so that we are able to support other ministries here in ILCR.
- For Tucántico mobile, that it would be successful and that we would find the right fairs/festivals.
- That the Lord would lead and guide us with all decisions and that we would seek Him for that wisdom and guidance as we continue ministry with Tucántico!

New Team Members

Luke & Maddy Hadeed

MISSIONARIES - TUCÁNTICO
& KATAMANTHANO

HOW DID THE LORD LEAD YOU TO THIS ROLE?

We had been praying for a while about what the Lord had for us in our next season. Overseas missions is something we had never felt the call to before the summer of 2023.

In the midst of an incredibly hard season, I (Maddy) had the opportunity to be a high school leader on a short-term trip to Costa Rica with Inca Link. Our prayer during this season of hardship was that it wouldn't be a wasted season, but that God would use it and us for something greater.

While in Costa Rica the summer of 2023, I (Maddy), felt the Lord so clearly reminding me of our prayer for this season to be used and not wasted and through that reminder, He so clearly told me "I want you here and I want you to be available." After months of prayer and evidence from the Lord that this is what He was asking of us for this next season, we said yes to His calling and moved to Costa Rica in February 2024 as the managers of Tucántico Cafetería.

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

When you pick up your lives and everything is left behind and stripped away from you, it is incredibly difficult and at the same time, incredibly beautiful. The Lord has taught us the most invaluable things through this experience and in walking in complete obedience and surrender to Him. He has taught us dependence on Him in a way that we had never known. He has taught reliance and also resilience.

We have been completely humbled through His abundant provision and the way He has taken care of us day in and day out. And He has taught us immense joy in the midst of the challenges.

Whether we feel unequipped, incapable, exhausted, clueless etc. His provision in those feelings has been greater than the feelings Himself as He has so evidently walked before us, beside us, and behind us, being for us what we can't.

I AM THANKFUL FOR:

We are incredibly grateful to have a front row seat at watching what the Lord is doing here in Costa Rica. We are grateful for the opportunities He has given us here to share Him and for the support of our local leaders and IL team as well as the immense support from our home church, family, and friends as we follow the Lord's calling for our lives!

HOW CAN WE PRAY FOR YOU?

- Tucántico's growth as a business, for an influx of customers would come, but also that this would be a place that overflows the love of Jesus.
- Clear direction and guidance from the Lord about what He has for us after our current commitment with ILCR.
- Health and endurance.
- For the Bible Study we have started out of our home. Pray specifically for Raquel and Jairo - that they would come to a saving knowledge of Jesus as we share Him with them.

New Team Members

Osiris CT

KATAMANTHANO DIRECTOR

HOW DID THE LORD LEAD YOU TO THIS ROLE?

During a missions trip to Costa Rica in 2023 it became very clear through Philippians 2 I was called to “renounce” everything and pursue full time missions. God led me on that trip and has been leading me through my preparation and launch. Praise God I’m here, in Costa Rica, full time helping with God’s work.

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

The Lord has grown me in so many ways I don’t even know were possible. One of them is the need for reliance on Him and trust in Him every step of the way. Seeking Him first and asking Him for wisdom and direction, then seeing how He provides abundantly if I just ask, and even when I don’t!

All I knew as normal has changed, but I’m learning to live a new normal. I changed my job, team, people, left my family, left my home, sold my car, packed up and left to serve Him in another country. It has been very cool, and challenging!

I AM THANKFUL FOR:

Christ! For His strength, for His mercies and for my family and church family who have brought me in and cared for me and loved me as I get settled in Costa Rica. For my Inca Link team as well!

HOW CAN WE PRAY FOR YOU?

- For health, wisdom, that I would continue to stand firm in Christ and that I would love Him above all things!
- For the ministries here in Costa Rica, the children and the parents as we praise God for open doors. For the University of Costa Rica students and our campus ministry to them.
- For renewed strength, favor and grace.

INCA LINK ECUADOR

AS SHARED BY ILE EXECUTIVE DIRECTOR PEDRO CONTAG

When you consistently work with people and provide them with opportunities while sharing God's love, you need a place to do it, a home. Inca Link Ecuador works in multiple diverse homes; some shared, some rented, some owned, some roomy, some tight. Everyone needs their home, a place to mature, to share and make community, a safe place to learn to love. These past months, God has given us his hand and our homes are getting enhanced, roomier and more impactful.

El Hormiguero has relocated to a space in a church closer to the people we serve in Quito, and they are partnering with us by not only providing space, but sharing their community dining room program with us to make a more integral impact on lives that need some push to move forward.

The outdoor home at P7.8 is a more versatile space where kids not only play soccer, but they do all the physical activities we do in the ministry. This past summer, with the work of the community and the resources from global outreach teams, our dirt court was changed to sand.

Bonsai's home is now roomier because they have added a new property to the existing space used in the church, and it is just two doors away! Now there is better space for outdoor play and even space to host global outreach teams.

Finally, we are thankful, joyful, amazed as Cumbre Alta has now acquired their home – a 10.4 acre lot with the best characteristics to "settle down". Our current field could not physically or logistically support our family of hundreds of players; including boys, girls, teens and professional teams that use it and share life together. A campaign planned for 18 months to raise the \$1.3 million needed became a six-month success with a \$100K deduction from the price. Now, the work is ongoing so that it is ready for use in 2025. Praise God!

WE ARE THANKFUL FOR:

- All our home improvements. Do so remembering that these are our spaces to touch people's lives and to share God's love, and He has graciously provided us with resources and blessed our work in fundraising beyond our dreams. Your prayers will abound in God's provision for us.

PLEASE PRAY:

- For all of our ministries as we continue experiencing blackouts through this drought in Ecuador.

PORTOVIEJO CHURCH SERVES IN NINAWACHI

AS SHARED BY P7.8 DIRECTOR PERCY FIGUEROA

Our church took a mission trip to Ninawachi to provide general medical checks to the community. We started every day with a devotional on the Gospel of Luke, then provided medical care to the community. In the evenings, we went out to preach the gospel door to door. Approximately 794 medical services were provided, including general medicine, pediatrics, podiatry, psychology, dentistry, optometry, and hair care. We also saw 12 people give their lives to Christ! However, our team returned to Portoviejo challenged, recognizing there is a great need for medical care in this sector of the country.

There were a few times where our team ran into some unexpected communication barriers. We had to use a translator with some patients, as many spoke Shuar and Quichua. In the area of general medicine, many people did not know how to read, so the doctors had to mark both the pills and the prescriptions with colors to help reduce confusion. Furthermore, for meal times, it was necessary to use referential images; for example, they drew a piece of chicken to indicate lunch or the moon for the night and the sun for the day.

On the first day, we ran out of medicine due to the large number of patients who arrived at Ninawachi. Praise God, Inca Link was able to buy \$500 worth of medicine in the city of Loreto, so that we were able to serve 100 more patients.

One of the patients we were able to help was a young man who was brought to the Ninawachi camp in the middle of a seizure. When they saw him, Pastor Percy and Luis Mendoza rushed him to the nearest hospital. However, upon arrival, the hospital staff refused to treat him due to a lack of doctors and medications. Faced with the despair of their relative, who was inconsolable and crying, the Ninawachi and Portoviejo teams laid their hands on the young man and prayed, giving his health and life into the hands of God. Praise God, he recovered and was walking around the Ninawachi campus with his friends a few days later!

BONSAI

AS SHARED BY DIRECTORS WILL & AMANDA EASON

In 2024, we have continued working with students in Bonsai ages three to 18. After eight years of Bonsai, we hope to have our first high school graduate in early 2025. Our students just finished their second trimester and most have great grades.

Bonsai is not strictly for homework, but all students learn about Jesus weekly. We finished our study through the entire Bible and started again with the creation story in May. This year we have included more stories from the Old Testament in our Bible curriculum.

On July 4th, we were finally able to close on a new property that will serve as housing for teams and has already provided outdoor play space for our students. We are thankful to God for His provision. Bonsai has intentionally decided to keep small student to teacher ratios so that we can truly get to know each child and invest in their lives.

After an armed robbery in September 2024, all of our staff was truly shaken. We closed the program for three weeks to allow time for the drivers to get their documents renewed and pray and fast. Upon returning, we debriefed this with our students and the overwhelming response from all our students was how Bonsai is a safe place for them and for some, the only safe place in their lives. We have changed some of our practices to increase safety measures but also recognize how God is continuing to use us to show God's love and faithfulness to our students.

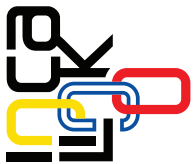

We continue to have deep conversations about families and problems and to be sounding boards and safe places for them to open and vulnerable.

WE ARE THANKFUL FOR:

- We were able to purchase a property in July 2024. This will help us with having teams, allow for outdoor play space for our students, and further expansion of our ministry in the future.
- God protected Will, Wilton, our staff, and students during the robbery. It could have been so much worse but we know God was and is in control.
- We added a group of new students last year. Many of them struggled at first but we see how they are now well-adjusted. The older girls have finally adjusted socially and the younger students who didn't want to do homework or even pick up a pencil have now improved drastically in their motor skills and completing their daily homework assignments.

PLEASE PRAY:

- That we can get more funding to do some of the needed projects for teams to be able to use the new property. We have two teams coming in summer of 2025.
- For our safety. Manta has become much more dangerous due to gang activity and drug trafficking. Many of our students live in areas where people are being killed for their involvement in these activities.
- For a hunger and openness to the things of God from our students. Pray for more conversations where we can show our students that there is no hope in this world other than Jesus.
- For us as we continue on the second month of nationwide power cuts. This has limited us in helping with homework as we sometimes don't have power to print or internet to do homework assignments.

CASA ELIZABETH

AS SHARED BY DIRECTOR MARÍA FERNANDA BELTRÁN V.

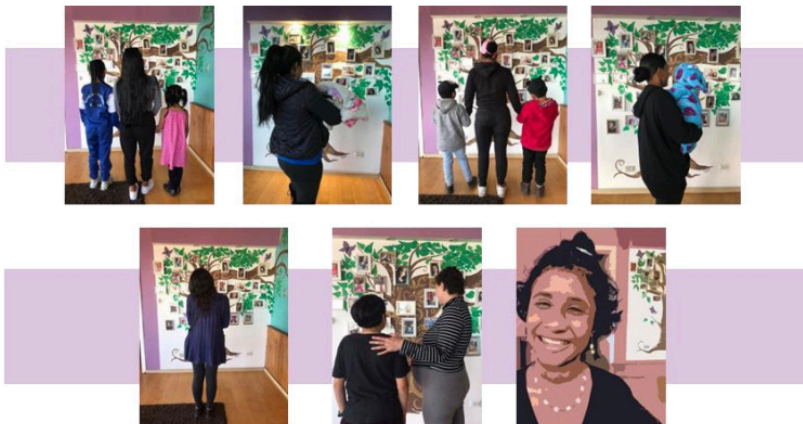

This year, Casa Elizabeth has adjusted to become a refuge where our girls meet to find relief in their daily lives and also build networks.

The intentional work we do through Trauma Healing, which we received certification for as facilitators this year, and the workshops for parents led by our clinical psychologist is giving great results that pave the way to restore the family nucleus and thus impact society.

Currently, we are serving 15 youth and their families supporting them because we are working integrally, which expands our reach (to an average of 45 people).

One of the girls we have been able to support and minister to this year was J, a woman who lived with us 11 years ago with a child who was a baby at the time. J was expecting a second child and had emotional and financial struggles and needed a place to live in the last months of pregnancy. Casa Elizabeth staff prepared everything and hosted her for the time needed, and we were able to support her emotionally and physically; she even gave birth at Casa Elizabeth! This was unexpected and not our typical practice, but God helped us and it was uneventful except for a new life!

J completed her time with us, but she came out stronger emotionally and financially. She knows she is loved and our doors are open for her.

WE ARE THANKFUL FOR:

- God has rescued and reunited families, bringing them to redemption.
- We have testimonies from our girls who have overcome difficult situations (deep depression, child abuse, self-harm, eating disorders). We have been that early help and now they are stable.
- We discovered that almost all of the mothers of our pregnant and preventing teens were teen mothers themselves and we have been able to help them heal from the pain of the stigma, of rejection, that they were passing on to their generations and are restoring mother-daughter relationships.

PLEASE PRAY:

- For wisdom for the new challenges that we discover as we walk with our beneficiaries (addictions, sexuality issues in networks, etc.).
- For economic resources to sustain the management.

CUMBRE ALTA

AS SHARED BY DIRECTOR NATHAN TAUBE

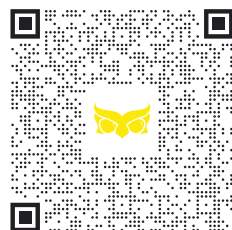

This year, we purchased our forever home for Casa Deportiva Cumbre Alta and are in the middle of designing the whole layout of El Nido (The Nest). We opened Cumbre Alta Costa Rica and now have three club sites. Across these three sites, we have around 500 players (basketball and soccer) coming through our doors on a weekly basis. Every one of those players who walks through our doors has heard the gospel. We are also developing systems to be able to sustain growth and lessen the administrative burden on all three club sites. We are developing leaders and discipling more and more people.

We have way more teams than we did last year, which means we have way more people to disciple now. Particularly cool is our U16 and U14 girls teams. There is so much opportunity for impact on the women's side and it's fun to be a part of it. We have the makings of a SuperLiga winning side on our U14 girls team!

We have a new video series (Owl City) that's a great tool to share about Cumbre Alta. Take a look!

CLICK THE IMAGE ABOVE OR SCAN THE CODE BELOW TO WATCH.
NEW VIDEOS WILL BE LAUNCHED THROUGH DECEMBER 17, 2024.

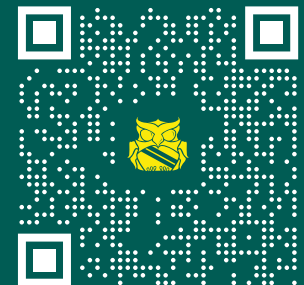

WE ARE THANKFUL FOR:

- The purchase of our new property.
- We launched Cumbre Alta Costa Rica.
- Our new teams for girls.

PLEASE PRAY:

- We need people who want to disciple our players, especially a Director of Discipleship.
- We want to play our home games at El Nido next year, but the window is going to be tight to get the necessary construction done in time.
- We need teachers to come work at the Alliance Academy to have Kingdom impact and lessen the financial burden for my family and the Keifers.

TO LEARN MORE ABOUT CUMBRE ALTA'S
ONGOING CAMPAIGN, SCAN THE CODE OR VISIT
[INCALINK.ORG/MORE-THAN-A-PITCH](https://incalink.org/more-than-a-pitch)

E625

AS SHARED BY NATIONAL LEADER DAVID NOBOA

We held three training events for new generation leaders this year with 500 participants each in Quito, Guayaquil and Riobamba. We also taught a diploma course on eight subjects for 50 youth leaders of Conpocietech (an educational school) in Riobamba that lasted eight months long.

In addition, the E625 team received several invitations to speak at camps, youth retreats, conferences, etc., reaching at least 3000 young people and their leaders, all from different denominations in different cities across Ecuador.

I was commissioned to represent Ecuador in the Elephant in the Room event in Mexico (700 pastors and leaders) and Guatemala (400 pastors and leaders).

WE ARE THANKFUL FOR:

- There have been many books and materials delivered to the church in Ecuador.
- Hearing more and more pastors and leaders putting discipleship as the center of the ministry.
- God has given us grace with the leadership of Ecuador that trusts us more to train them.

PLEASE PRAY:

- For growth and establishment.
- For strategic vision of future events.
- For key contacts.
- Financial provision.

EL HORMIGUERO

AS SHARED BY DIRECTOR JOSE ERAZO

We started a school support and discipleship program with a group of teenagers from families in vulnerable situations, we also delivered food to approximately 20 families and we continue to work with groups of teenagers who come as volunteers to help us every week.

WE ARE THANKFUL FOR:

- We have consolidated a group of teenagers serving other teenagers and showing the love of Christ with their actions.
- We sent Paula, a key volunteer of our team, to do missions and serve at Ninawachi for a month.
- We have delivered groceries and school supply lists to families living in vulnerable situations. This year we have consolidated an alliance with the Quito Norte Church and thanks to them we have been able to reach more people.

PLEASE PRAY:

- For wisdom in the decisions that will guide us for the future.

NINAWACHI MISSION INSTITUTE

AS SHARED BY NATIONAL LEADER SANTIAGO SEGARRA

We held a Bible training for youth of different indigenous nationalities every Wednesday, hosting groups, logistics, campus work and missions. We also mentored students and provided discipleship and spiritual support in three communities weekly: Sasaim, Nunkui and San Martin.

We also supported the Christian and Missionary Alliance church of Huaticocha, preaching every month.

In November, the Ninawachi leadership gave accompaniment to the students for their one-month annual internship.

WE ARE THANKFUL FOR:

- Edification in our lives and new relationships.
- Evangelization to reach out to communities near and far.
- Short-term missions and receiving wonderful groups.

PLEASE PRAY:

- Steadfastness, clearer vision, and walking towards our goal as we intentionally envision.
- Financial resources – we need to make a lot of fixes and repairs on campus and we want to have more help for vulnerable families and individuals.

PORTOVIEJO 7.8

AS SHARED BY DIRECTOR PERCY FIGUEROA

Families and ministry leaders from P7.8 went on a short trip to La Hacienda Los Cerros for a day of fun and fellowship in October. This campground is about an hour away from the P7.8 ministry site. Overall, we had 30 adults, 20 children, and 15 teenagers attend this event! It was a wonderful time to bring families closer together and closer to God.

Zamari, a 13 year old girl from the P7.8 ministry, told us about her experience in the family retreat, "We have been very bored these days in Ecuador because they cut our electricity for more than 12 hours a day. I like to be in my classes in P7.8, but I loved going to the family day. I enjoyed playing, eating and listening to the word of God in the family day outing. I loved this day."

Dileidi is receiving psychological treatment since she confessed to us that she had been abused and had tried to take her own life when she was eight years old. Gema, her teacher, received this news and we immediately did a general medical check-up, examinations, check-up with the cardiologist, psychologist and also psychiatrist. We have managed at this moment to remove the suicidal thoughts and she can sleep well. Praise God for her life.

WE ARE THANKFUL FOR:

- All the children this year have been checked by the dental doctor and have been able to get free treatment.
- The children this year are committed to improving their grades in school.

PLEASE PRAY:

- We have a 15 year old pregnant teenager. Pray that God will guide this whole process. She and her family are already in psychological treatment.
- For the teenagers who are going to leave school this year, that they would be encouraged to enter college.
- For Victoria's health: she is a 5 year old girl and has some swollen glands; the doctor has sent some ultrasounds to rule out cancer.
- For all the teenagers and children that God would speak to them through the Bible lessons.
- For the P7.8 team that God will continue to give them strength to continue.

New Team Members

**Daniel
Arellano**

NATIONAL LEADER – CUMBRE ALTA

HOW DID THE LORD LEAD YOU TO THIS ROLE?

I was praying for new opportunities to serve the Lord and I called Nate with Cumbre Alta to see if there were needs within the club I could help with, and he said that they were just talking about me and the Lord moved quickly from that point.

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

The Lord has given me opportunities to serve in Cumbre Alta doing what I love the most, sharing Christ through soccer.

I AM THANKFUL FOR:

- His love and grace.
- How he allows me to be part of his plans.

HOW CAN WE PRAY FOR YOU?

- Pray that God would fill my heart with passion for him and for sharing his word with our players at Cumbre Alta.

CREACIÓN DE DIOS

AS SHARED BY DIRECTOR HELEN LEÓN

At Creación de Dios, we strive to make education fun for our students! This summer, we had a Crazy Hair Week where the students attended Creación de Dios with the funniest hairstyles they could think of. The students were so creative and had so much fun making up new hairstyles each day!

October is a time of celebration at Creación de Dios. We spent two days celebrating Children's Day and Creación de Dios' anniversary! Children's Day is a Guatemalan holiday that takes place on October 1st. In 2024, we spent time celebrating all the children within our ministry to make sure they know they are loved and valued. We also celebrated Creación de Dios' anniversary on October 2nd! There is so much to be thankful for as God has been providing for this ministry and doing great things in Guatemala for the past five years.

Over the summer, multiple global outreach teams visited Creación de Dios, ministered to the kids, and helped with projects around the property. One group in particular from Fort Wayne, Indiana helped revitalize some of the property of Creación de Dios to help make it more welcoming and suitable for ministry! We are also in the process of remodeling a "new" building for the ministry, and greatly appreciate each team's willingness to help.

MANOS DE CRISTO

AS SHARED BY RECRUITERS SHAWN & LISA BRADLEY

Fifty children were able to attend school this year who otherwise may not have had the chance thanks to our sponsors. There have been dozens of students who have seen an improvement in their grades and academic understanding this year and we are grateful for their hard work.

WE ARE THANKFUL FOR:

- God's faithfulness has been evident this year through many changes and challenges.

PLEASE PRAY:

- As we begin seeking sponsors for the 2025 school year.
- We believe the Lord may be doing a new thing in Manos de Cristo in 2025. Please pray that we would be sensitive to what the Holy Spirit wants to do and be obedient to Him in all things.

WE ARE THANKFUL FOR:

- Celebrating five years of ministry!
- We were able to purchase our building.
- Our sponsors that have been faithfully giving so we can serve the children.

PLEASE PRAY:

- For the sustainability of Creación de Dios.
- For the children and team at Creación de Dios that God would work in their lives throughout the coming months and that the fruit of His work would be seen in the ministry and in the depth of their desire to know Him more.

We saw Inca Link Guatemala established in the country and began working with the new administrative board.

INCA LINK HONDURAS

AS SHARED BY ILH EXECUTIVE DIRECTOR CARLOS SOTO

New strategic alliances were made with ministries such as e625 Honduras and Familia Cristiana church in Comayagua. In addition, we received several groups of short-term missions and long-term missionaries. Also, a new board of directors was formed with new people and new initiatives. Some of these board members traveled to Inca Link Perú to learn how they do the work there and brought back some concepts to implement in Honduras.

We also started a new project to reach children, teenagers and young adults through guitar lessons in the city of Comayagua. Of course, our objective is to use these lessons to disciple them. What is great about this new project is that the mothers have come on board to support it, and some even attend the classes with their kids! It is wonderful to see mothers and children interacting with each other while learning to play the guitar.

They are helping us and at the same time generating more unity in the family!

WE ARE THANKFUL FOR:

- Our partnerships with e625 Honduras and the Familia Cristiana Honduras church.
- Our new project teaching guitar.

PLEASE PRAY:

- A more involved board of directors.
- More funding to support all our projects.
- More contacts and open doors.

CASA ONESÍFORO

AS SHARED BY ILH EXECUTIVE DIRECTOR CARLOS SOTO

It was a very productive year where we experienced growth and consistency in the children and adolescents we received week after week. Something we value very much is that many parents are involved. In addition, we celebrate bringing on more volunteers to the project.

WE ARE THANKFUL FOR:

- More volunteers.
- Consistency in attendance.
- Loyalty in donors.

PLEASE PRAY:

- For classroom projects.
- For new donors, as the cycle of some of the current donors will end at the end of 2024.
- For strength and strategy.

LA SIERRA

AS SHARED BY DIRECTOR MIRIAM JUDITH MEZA AND CARLOS SOTO

In our ministry in La Sierra, we serve an 11-year-old girl named María Guadalupe García. Since the first time she visited our program two years ago, she has not stopped coming to our ministry, there are very few occasions where she has not been able to attend.

Despite being in school, she had not learned to read or write, but our literacy project helped her a lot, and it also greatly boosted her self-confidence. Before, she said she couldn't do anything, but now when we ask her to read or do mathematical exercises, we find her working with a smile on her face every time.

Something that is even more encouraging is that she retains much of the biblical topics that we are discussing, which has helped her greatly with her attitude. She had previously lost interest in school, but now she is very encouraged and excited to continue. In fact, she decided to invite her brother, Kenner, to the program so he could learn, as well!

WE ARE THANKFUL FOR:

- The involvement of new volunteers.
- Growth in literary comprehension of children who have become literate.
- The training of leaders such as the project director.
- The El Recreo initiative was restarted after the ministry director had to step away.

PLEASE PRAY:

- For strength, ideas and strategies to continue to grow.
- That we can gain more volunteers.
- For our expansion so we can reach out to more children.

New Team Members

Carlos Soto

ILH EXECUTIVE DIRECTOR

HOW DID THE LORD LEAD YOU TO THIS ROLE?

The Lord led me to this position through the ministry relationships and connections that the Lord has allowed us to develop over time.

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

A lot! The Lord has allowed me to be more involved in His work, meet more people (for example the entire Inca Link Perú team) and has entrusted me with more responsibilities. I have also noticed a maturing in my decision making.

I AM THANKFUL FOR:

I am grateful to belong to Inca Link Honduras because it has been an opportunity to serve and grow in my relationship with Jesus. Since I've been with ILH I've met more people committed to Jesus and they've inspired me to continue fulfilling the great commission with passion, effort, and commitment.

HOW CAN WE PRAY FOR YOU?

- Strength in the Lord. We've done a lot of things this year, and there is much more to do.
- Opportunities to travel and meet more people.
- Financial support to fulfill His calling.
- Friendship and accompaniment.

INCA LINK PERÚ

AS SHARED BY ILP EXECUTIVE DIRECTOR ANGELA VARAS

This year we have been working on improving the teamwork of all our projects. We have also been working on making connections with local businesses and with people who want to contribute in order to continue impacting the community with the love of Christ.

As an administrative team we have been working on getting more involved with the work of each ministry so that we can be of more support to them.

WE ARE THANKFUL FOR:

- God's provision this year.
- For seeing His love in different aspects, which motivates us to continue.
- For the willingness of all the volunteers.

PLEASE PRAY:

- That we may find people who wish to continue supporting us.
- For wisdom to continue with the work and for our beneficiaries.

AMIJAI

AS SHARED BY DIRECTOR BRENDA MOYA

We started summer workshops to attract more people from the area. We strengthened our team of volunteers. Our teenagers have become more involved with the team of volunteers and in devotional times.

Our children's group grew in attendance and remained consistent throughout the year. We created the program of reinforcement and homework which has been a blessing for the children in their grades at the end of the year.

The mothers have participated in activities of growth in entrepreneurship and it has been satisfactory for their economic growth, and young single adult women have joined the group of mothers in the workshops.

Praise God our programs have been strengthened even in the midst of scarcity thanks to the support of volunteers and Inca Link Perú with providing us a space to continue working.

We received local and international donations of clothing and gifts for our children, office supplies and games throughout the year!

WE ARE THANKFUL FOR:

- The unconditional support of our dedicated volunteers.
- The sustainability of the programs and local and international support.
- Support with global outreach teams, interns and Linkers, their help in the programs was fundamental for the growth and permanence of our people.

PLEASE PRAY:

- For support for our 2025 programs and achieving our goals and challenges for 2025.
- That we can strengthen and maintain the unity of our beautiful Inca Link Perú team.

ELIM

AS SHARED BY DIRECTOR OLENKA GRIMANEZA CORDOVA SALINAS

We have continued the spiritual programs such as Bible studies for the women who attend Elim and at the same time they have had the experience of selling their knitting in the church and in the community of Trujillo. The program of school reinforcement for the children follows a new modality of learning with books and a new reinforcement of subjects such as mathematics, communication and English for the interested teenagers of the surrounding area of the district of El Milagro. We were able to hold the first retreat for people with disabilities to come out to our Inca Link property and be welcomed with love and kindness. Our children continue to grow in learning the Bible with the Abanico de Valores program both in the Sector 9 landfill and in the building itself.

Ysabel del Carmen Garcia Pichi, a 51-year-old woman, learned about our Elim program by chance when she was leaving a language therapy center with her daughter, Chantal. Carmen expresses that she saw the children playing with Brent Frederick (the director of the project at that time) in 2019. She asked if her

little daughter could join the children and she was accepted. Her daughter is now 12 years old and is diagnosed with ADHD, which limits her learning abilities. She has been a part of Elim's program since she was six years old, and to this day she is very happy enjoying the Elim programs such as the Palette of Values with its Detectives series, meetings with people with disabilities, and the incredible visits from teams when they come to Elim.

She is a very beloved teenager; she likes to talk, paint, and play. She is currently a student of Secondary Support (7th grade), and there we must support her so that she can learn. To accomplish this, we have created a curricular adaptation so that she can process her lessons and learn at her own pace.

Her mother, Mrs. Carmen, also supports us by welcoming students to the Affirmation Program on Saturdays, as well as guarding the door to control the entry and exit of the students. She also participates in craft programs.

WE ARE THANKFUL FOR:

- God's goodness in having a project growing in its spiritual life and to see some members already attending the local church in the building.
- Having trusted leaders who have supported the projects with dedication, integrity and love in Elim.
- Receiving the support of the community that surrounds us in El Milagro who find love and help in our projects that are channeled by the grace of God.

PLEASE PRAY:

- That we continue to form a generation that loves God and serves Him with all their hearts.
- That we can win families for Christ, where all of them live in unity and give a testimony of Jesus' life every day.
- We can continue forming leaders and young people who have a passion to move forward with a future at university.

INCA THAKHI

AS SHARED BY DIRECTORS ALEX & JOCA CASTRO

In 2024, we were able to have new children visit us and share about Christ through the annual workshops and summer camp. Thanks to the help of our team that continues to grow little by little and the churches that visit us from the USA and Canada, they have made this a hopeful opportunity to serve and learn. Each leader leads a workshop within the grounds and we are projecting into more dreams of using the grounds for blessing more children, intentional training with teens and strengthening discipleship.

We have new bathrooms for the children, a productive garden and small recreational spaces that we have incorporated for the nearly 60 children and the team of 20 teens and young adults that are part of our ministry. We pray the Lord will lead us to His Glory and continue to show the irresistible love of Christ.

WE ARE THANKFUL FOR:

- New children in the community can learn about Christ.
- Our work team continues to grow and challenge the younger ones.
- We have bathrooms and a garden for the children to enjoy.

PLEASE PRAY:

- We have a more intentional approach with the local church to join efforts.
- For funds to build recreational elements for the children to serve as tools for the leaders.
- For sponsorship of leaders to learn new skills to serve the children and youth.
- For the care and protection of the truth for each child and project leader.

MANÁ

AS SHARED BY DIRECTORS JEFF SOLEDISPA & CHLOE CHILDERSTON

Last year, Caleb arrived at MANÁ at eight years old through an invitation from his cousin to participate in the summer workshops that the ministry offers for free. Caleb came to MANÁ but was very closed off and reserved. He didn't want to play with the other kids and was easily upset.

After a couple of months, we received a visit from his father where he asked us if there was any way he could register Caleb to be part of the ministry officially and urgently. He explained how Caleb didn't have friends, nor community of any kind really and most days he spent alone at home while the rest of his family had to work. He said that Caleb had been struggling to socialize and communicate with others, and ultimately make friends. These struggles became more challenging for Caleb after the pandemic as well. His father expressed how necessary it is for him to be able to communicate with others, not just at school, but for his future and that he desired for his son to have friends and a safe community to grow in.

At MANÁ, we serve in one of the most impoverished neighborhoods of the city, however not all our kids have the same needs. Some desperately need the free meals we give out Monday through Friday, and others need the homework help and trade workshop classes we offer. Other kids are in need of a safe place to come to while parents work or just simply need friendships and community, such as Caleb. At the end of the day, we all need Jesus, and we try to share and show His love through the speed of relationships and support in a holistic way.

Currently, Caleb is one of our most social kiddos in the ministry. He has many best friends and is known for making everyone laugh. He is a friend to all and has grown so much in sharing and communicating. Caleb also goes to a local church and truly uses every opportunity throughout the day to praise God for the blessings he has received. He truly is a bright light for Christ, and we are so excited to see all the ways the Lord uses Caleb for His Kingdom and glory.

WE ARE THANKFUL FOR:

- Four of our teenagers gave their lives to Christ in November.
- We have seen a lot of fruits from homework help throughout the year.
- Three of four of our teenagers were accepted into college, one with a full-ride scholarship.
- Our kids and staff members are really close and view MANÁ as a safe space.
- We are connecting more with the parents.

PLEASE PRAY:

- For additional sponsors, as 21 of our 54 kids are still in need of sponsors, which means we have had to close the ministry on Fridays.
- For the kids to continue to grow spiritually.
- We are looking for a teacher to help students with their homework.

MISIÓN MÁS VIDA

AS SHARED BY PASTOR ANTONIO ARGUMEDO

We worked on evangelism and discipleship. We started the year with 120 people attending our church, and we are finishing the year with 180 people.

Next year we are starting two new churches in the districts of Comas and San Miguel, both strategically located to cover the northern and eastern areas of Lima.

WE ARE THANKFUL FOR:

- We opened a service exclusively for children. We have 80 children that attend.
- We started a new promotion of MVC (Más Vida Coolcuta).
- We started planning on opening two branches in two districts of the capital.

PLEASE PRAY:

- For the new building.
- For the provision of new leaders.
- For the economic provision for the new headquarters.
- For the children being reached.

RUNA SIMI

AS SHARED BY MISSIONARIES PABLO & KUSI SACCSARA

The estimate of Runa Simi's work for 2024 was done in the areas of Evangelism, Discipleship (youth, women and children ministries), leadership training, health (sports) and literacy.

Train and Multiply (leadership training): reached six places with a total of 142 pastors and leaders.

Women ministries: 308 women reached in the Andes and jungles.

Youth Ministry: 45 youth were trained in Chosica's youth conference with youth from six regions of Perú with apologetics and health workshops. One hundred and seventy trained in communities. Between 30-40 youth were involved locally in sports activities and local workshops.

Children Evangelism: 7,000 children were reached through our puppet ministry.

Literacy: 80 new readers, about 99 churches with literacy programs and Bible studies were led by our literacy trainers.

WE ARE THANKFUL FOR:

- Eight young people accepted Christ as their Savior during our recent youth conference, and through this recent conference our local sports activities and youth group activities have been invigorated.
- New readers have received Bibles and materials and are excited to reach others in their communities.
- After five years, our women receiving Bible training in the Chazuta jungle region were able to graduate from the program this year.

PLEASE PRAY:

- This year, we faced challenges due to the state of emergency in Perú, which caused cancellations and disrupted our plans. We hope it won't last much longer.
- It's been hard for us to do fundraising, but God has provided.

INCA LINK USA

AS SHARED BY ILI MANAGING DIRECTOR AMANDA BURGE

Inca Link USA was launched in 2023 as a response to the reality that 30 million Latin American youth now reside in the United States. As you know, the mission of Inca Link International is to reach the 300 million youth of Latin America with Christ's irresistible love.

With 10% of those youth living stateside, we felt a strong calling to meet them where they are, quite literally, which led to the opening of Inca Link USA!

As ILUSA's first ministry, Cumbre Alta Bossier City has grown substantially this past year and is now pouring into the lives of 191 young athletes who are learning so much about themselves and who they are in the eyes of the Lord. Not only that but structures are being built to facilitate growth and expansion in the coming years. Inca Link USA continues to pursue the Lord's leading in additional ministry opportunities through the country as in an effort to introduce Latin American youth to Jesus and disciple them as they grow in their knowledge of his love and salvation.

CUMBRE ALTA BOSSIER CITY

AS SHARED BY MISSIONARIES ORLANDO & SOYLA MEDELLIN

Our soccer ministry is growing. We were able to secure a home place where we are building three soccer fields. We were able to reach a total of 191 players this year. We will continue to give and demonstrate love to every player and every family. Our purpose is not only to grow the soccer aspect but ultimately we want every player to grow in the following areas:

We want them to feel like they BELONG somewhere, we want to teach them TEAMWORK, we are teaching them HUMILITY, to STAND UP FOR ONE ANOTHER, and FINISH THEIR RACE. All of these points follow Bible verses and to be more like Jesus.

WE ARE THANKFUL FOR:

- We have seen growth in many players on and off the field.
- Several coaches are more curious and want to learn more about Jesus Christ.
- He has given us a place we can call home where we will get to share more of the good news and grow the game.

PLEASE PRAY:

- For our ministry, we can continue reaching more families.
- We will be reminded that this is not about us or Cumbre Alta, but it is for the Glory of our God Jesus Christ.
- For all of our coaches for guidance and health.

CUMBRE ALTA FÚTBOL CAMP

AS SHARED BY MISSIONARY CHELSEY BRUNT

Cumbre Alta Fútbol Camp USA did seven soccer camps in four weeks in four different states. Over 700 campers, 20 coaches from Ecuador and USA came together and used soccer to share the gospel with the campers.

During one of our summer camps, coach Chelsey went to the head office of a daycare center and talked to a supervisor to get the kids to join the camp. The supervisor made a phone call and got the kids from the center to go out for about an hour and half for the last three days of camp. Those kids were all kids of migrant workers or construction workers. When they were handed their jerseys, they couldn't believe they got to keep them!

It was a weird start to camp; the kids were different, super passive and timid and almost apathetic. Everyone was having a hard time connecting. But by the third day of camp, they started to open up and everyone had so much confidence. It was probably the most growth we had seen in a group of campers from all of our camps.

On the last day of camp, a little seven-year-old hugged one of our coaches from Ecuador and told him, "I wish soccer camp was every week."

We donated a ball to every kid and did a gospel presentation in front of the parents and kids. Everyone was super thankful. So many parents came up to us to tell us how much this week meant to their kids. It was a wonderful time!

Since the end of camps this summer, we have been doing follow-up meetings with each of our camp coaches. It has been amazing to hear of the ways that the camp experience has impacted the coaches lives and really shows that Cumbre Alta Fútbol Camp is a full circle ministry – the coaches pour into the community and in return the coaches experience God in a new way. Chelsey met with one of our camp coaches last week who said that since camp, her perspective on coaching has changed. It now has a much deeper purpose. She used to just show up to practices and run drills, but now she realizes that each practice has a purpose and is an opportunity to show the love of God like we did at camp.

WE ARE THANKFUL FOR:

- An incredible group of camp coaches that both impacted numerous lives and were deeply impacted by what God was doing through them.

PLEASE PRAY:

- For wisdom as we make decisions about our teams and program development.
- For summer camp 2025 for sponsors, the right community partners, and for God to lead us to the cities where he wants us to be.

INCA LINK CANADA

AS SHARED BY ILCAN CHAIRPERSON OF THE BOARD MELANIE HORNING

Inca Link Canada has had the privilege of entering into official partnerships with all Inca Link International countries, which allows us to better serve and support each country and their respective ministries. In fact, these partnerships have allowed Canadian Teams to minister in many of the Inca Link countries throughout the spring and summer. Not only that, but many more teams are preparing to launch into ministry in 2025.

The Inca Link Canada Board of Directors has worked hard on developing a handbook and updating our Operational Policies. We have also been working on Marketing strategies to promote Inca Link global ministries at events throughout Canada.

WE ARE THANKFUL FOR:

- Missionaries Anthony & Jordyn Winfield are preparing for full time ministry in Costa Rica.
- Many Canadian teams working alongside Inca Link missionaries and ministries in South America.
- Sharpening our vision and goals for reaching the 300 million youth of Latin America with Christ's irresistible love.

PLEASE PRAY:

- For our missionaries as they follow God's lead in their new roles in 2025.
- For our Board of Directors as we fill pivotal roles on the Board and follow the vision God puts before them.

New Team Members

Anthony & Jordyn Winfield

MISSIONARIES – INCA LINK COSTA RICA

HOW DID THE LORD LEAD YOU TO THIS ROLE?

God has been leading Jordyn towards longer term missions for quite awhile and after we got married it became a dream of ours together! After a short-term trip together the Directors of Inca Link Costa Rica asked us to consider joining the team and after some time in prayer and conversation we decided that this was the opportunity we had been praying for!

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

This year our lives have changed by adding a new member to our family, our daughter Selah. More personally we have both been able to jump into serving within our home church and growing our relationship with God.

I AM THANKFUL FOR:

- Our beautiful little girl!
- Our families who love and support us.
- People who have helped us with wise insight as we consider our futures with ILCR.

HOW CAN WE PRAY FOR YOU?

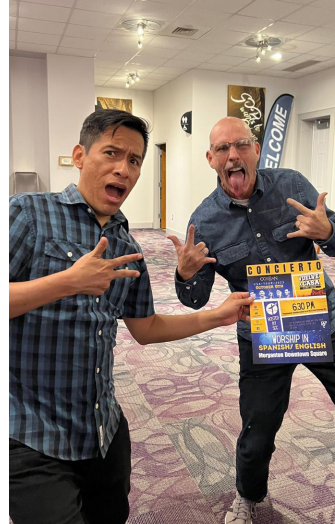

- Funding that we would be able to reach 100% in time to launch.
- Health and safety as we join the team in Costa Rica.
- We would have open hearts and ears to what God is doing and where He wants us.

CORBAN

AS SHARED BY MISSIONARY DANIEL ASCENCIO

Corban members have been pastoring local churches, preaching at mission conferences, teaching at seminaries, visiting prisons, encouraging involvement in missions, doing social projects, etc.

They are looking at doing a tour in 2025.

WE ARE THANKFUL FOR:

- That each member uses their talents on and off the stage.
- For being able to teach in seminars and conferences.
- Because despite the distance, we are still united.

PLEASE PRAY:

For more opportunities to serve.

CONFERENCIA MISIONERA

FECHA: 15-17 de noviembre

HORA: 07:00 PM

LUGAR: IACYM MANANTAY
Pasaje Daniel Alcides Carrión 460

EXPOSITOR: REV. DANIEL ALCÁNTARA
IACYM LARCO-TRUJILLO

New Team Members

Steve & Christy Volstad

PASTORAL CARE AND SHEPHERDING
DIRECTOR; MEMBER CARE DIRECTOR

HOW DID THE LORD LEAD YOU TO THIS ROLE?

We just stepped down this year after serving for 24 years in Eastern Europe. We wanted to stay involved in missions, but weren't sure if that would be possible as we felt that we needed to be living in the States at this moment. Rich and Elisa knew we were praying about this, and offered us the roles of Director of Pastoral Care and Director of Member Care. As we dedicated more time to praying about these positions we felt the Lord directing us towards Inca Link.

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

He is stretching our faith in ways it hasn't been stretched in quite a while. Living long-term back in the States is an adjustment for us after living for so many years overseas. The biggest test of our faith has been saying yes to fundraising for our support. This is something we haven't had to do before, and it has really thrown us at the Lord's feet to fully depend on Him.

I AM THANKFUL FOR:

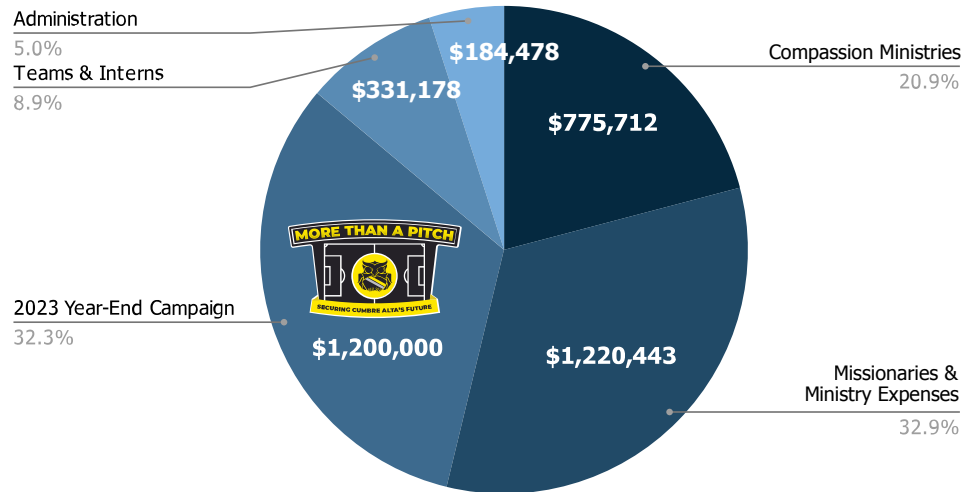

That at our age, God is not allowing us to stay comfortable and to be content with the status quo. Instead, He is leading us out into something completely new, and challenging us to trust Him more fully.

HOW CAN WE PRAY FOR YOU?

- We are in the final stages of fundraising, but have hit a slow period. Pray that the Lord puts on people's hearts to support us monthly, and that we can finish this piece soon and get started in our new ministries.
- We may be moving from Pennsylvania down closer to our kids in the south in Spring 2025. Pray for wisdom for us to make the move at the right time.
- Please pray that our three kids, as well as our two daughters-in-law would follow Jesus closely, growing in Him daily. Pray that our grandkids would grow up in homes where they are being taught about Jesus both at home and in church.

COLOMBIA

Oasis is a sponsorship program that serves close to 80 at-risk kids, whose families are garbage recyclers. The program enables children from the local community of Santa Cecilia to attend the program at the church five days a week. Children receive lunch, academic help, and most importantly, daily Biblical teaching and a beautiful glimpse of Christ's love for them.

Proyecto Confianza seeks to equip younger generations, parents and leaders to live an authentic and transforming faith from their identity in Christ through personal discipleship with high-impact biblical training.

Zoe Home's mission is to provide Colombian teens from troubled homes with a safe place to heal, learn, and grow. Keep reading to learn more about Zoe Home in our Year-End Campaign section "New Life in Colombia."

COSTA RICA

Cumbre Alta Costa Rica is an outreach ministry for adults and children. Cumbre Alta Costa Rica introduces basketball skills, soccer skills, and training to local neighborhoods. They are teaching basic sports skills to the next generation of players all while introducing them to the love of Jesus.

Tucántico is a coffee shop that embarks on a dual mission: to sustain ministry initiatives and nurture spiritual growth. As the current in-country primary revenue source for Inca Link Costa Rica, every cup brewed and pastry served directly supports vital outreach programs.

ECUADOR

Bonsai is a daycare program that meets five days a week. Bonsai carries out their ministry in a holistic approach that focuses on the emotional, physical, and spiritual health of their students.

Casa Elizabeth works in the prevention and accompaniment of teenage pregnancy with the vulnerable population of the northern sector of Quito.

Cumbre Alta serves youth and children through soccer and, in the future, other sports. The coaches, who are all Christians, use soccer to build genuine relationships that lead to opportunities to disciple their players, most of whom are not yet Christians.

El Hormiguero is a social help program where families in vulnerable situations such as poverty, catastrophic illnesses and migration, can exchange plastic bottles for a food basket of non-perishables.

E625 offers training and the best resources to those working to disciple the new generation of six- to 25-year-olds.

Ninawachi Mission Institute is a missionary training institute located in the jungle. The goal of Ninawachi is to train up missionaries from the local indigenous communities to return to their communities and share the Gospel with their people in their native language.

Portoviejo 7.8 is a daycare program that meets three days a week and works with the children who live near the garbage dump in Portoviejo.

Quinta Casablanca is Inca Link's guest house, making the mission field feel like home and a piece of heaven. It also houses retreats, pastors, and leaders.

GUATEMALA

Creación de Dios is a ministry with at-risk kids in the city of Guatemala, providing food, tutoring, and God's love, word, and truth. They meet three times a week with dozens of kids who are learning to survive and thrive in life.

Manos de Cristo is a child sponsorship ministry providing educational support for kids to get a quality education who typically would not be able to afford it. By providing for their educational needs, these kids and young people are breaking the cycle of poverty.

Partnerships: Inca Link Guatemala is partnering with Alas, a ministry that impacts different parts of Guatemala, bringing Creación de Dios and Manos de Cristo together to have a greater impact.

HONDURAS

Casa Onesíforo serves the new generation of Támara through a feeding program, showing the love of Christ practically.

El Recreo is a project that started when leaders from Inca Link Honduras realized the local school in Pueblo Viejo did not have a recess time for the kids. This project runs activities with the kids during their new recess time and seeks to teach the children that Christ is not boring.

La Sierra involves a team that is working with the children and youth of La Sierra, Intibucá, Honduras, because they believe that God has placed them there to share God's love and help the children better understand how important they are in their community. This program emphasizes discipleship and teaching reading, writing and math.

INTERNATIONAL

Corban is an international traveling worship band whose mission is for each presentation to connect the hearts of the people with the heart of God.

Link Year is a gap year program that allows participants to grow deeper to go deeper within a life-on-life discipleship community.

MÉXICO

We are excited about the ministry opportunities that exist in México and are confident God will bring the right long-term missionaries to Inca Link to support locally led ministries serving the vulnerable throughout the Tijuana Region.

PERÚ

Amijai is a ministry for women, children and teens. Amijai uses fellowship with the mothers and their children as an opportunity to teach handiwork, cooking, art, and share the Gospel.

Elim is a ministry near the garbage dump. It operates several days a week serving the community in a variety of ways. The hope is that Elim will raise up a generation of leaders who will continue to impact their community.

Inca Thakhi is an outdoor camp and sports ministry. The Inca Thakhi team provides an ideal space for the kids and youth of the Victor Raul district to foster a deep relationship with Christ via discipleship through adventures in nature.

MANÁ is a day care center, and programs happen there five days a week. MANÁ is working on loving the children of the community, mentoring and discipling teens, and bringing unity to families through spiritual growth.

Misión Más Vida is a church that is reaching the next generation in Lima, Perú, and coordinates with other churches in Lima. It is growing fast with new conversions and baptisms every year.

Runa Simi is a ministry that exists to reach the indigenous people groups of Perú with the Word of God in their own languages. Runa Simi runs a literacy program so people can read God's Word and grow closer to Him in their own personal relationship.

USA

Cumbre Alta Bossier City is a soccer club located in Bossier City, Louisiana. Their goal is to steer the players to the skills they need to better themselves as players and lead them off the field with the word of God.

Cumbre Alta Fútbol Camp is a series of bilingual youth summer soccer camps throughout the United States hosted by Casa Deportiva Cumbre Alta from Quito, Ecuador. The staff is made up of Cumbre Alta professional soccer players and coaches. They seek to provide a professional quality soccer camp experience to those who may not be able to access an opportunity like this otherwise.
