

INCA LINK INTERNATIONAL
2025 ANNUAL REPORT

STEADFAST IN EVERY SEASON

BE STEADFAST, IMMOVABLE, ALWAYS ABOUNDING IN THE WORK OF THE LORD. 1 CORINTHIANS 15:58

A NOTE FROM RICH & ELISA

Be steadfast, immovable, always abounding in the work of the Lord.

1 Corinthians 15:58

Dear friends,

As we look back over this past year, this verse has felt like a lifeline. Steadfast. Immovable. Always abounding. These words describe who God has been to us, and who He's invited us to become, as we serve youth, leaders, and families across Latin America and the world.

2025 was not an easy year. In many ways, it held some of the most stretching transitions we've ever walked through. This year, there were moments where we had to face healthy, necessary endings to make room for what God wanted to grow next.

At the very same time, we also experienced growth and renewal that fueled our hope for the future. These glimpses of God's movement reminded us to celebrate that our living God is still transforming people, and that He continues to choose us to be part of His redemptive work.

And through it all, He met us. Don't take our word for it, though; read the amazing reports of our living God working in and through Inca Link!

As we step into 2026, our hearts feel both humbled and expectant. If God sustained us through a challenging year with this much grace, how much more will He do as we remain rooted in Him, steadfast in every season?

Thank you for standing with us, praying for us, and believing alongside us. We truly could not do this without you. Together in faith, in hope, and in love, we press forward into the work of the Lord.

With gratitude,
Rich and Elisa Brown
Founders & President

GLOBAL OUTREACH MINISTRIES

AS SHARED BY GLOBAL OUTREACH DIRECTOR STACEY POPE

42

GLOBAL OUTREACH TEAMS

414

PARTICIPANTS

Forty-two international Global Outreach Teams with a total of 414 volunteer participants served across six of our Inca Link countries throughout 2025. Our teams included youth and adult church groups, schools, various pastoral vision trips, and family teams.

GLOBAL OUTREACH INTERNS

Seventeen Global Outreach interns served with Inca Link in 2025 across multiple countries, ministries and fields of service. Many thanks to the following for sharing their time, knowledge and love with our ministry leaders and those they serve!

Link Year

Laura
Luis
Saul Aguinda
Kaelyn Reese

In April 2025, our missionaries in Spain received a call asking if we had space to host two children, their mothers, and an interpreter coming to Barcelona for heart surgery. Unfortunately, housing in Barcelona is a serious problem—space is extremely limited and expensive.

At Inca Link España, we believe every child deserves a chance to heal and thrive. That's why we're launching CorHome—a place of refuge, comfort, and hope for all who come through our doors. Our vision is to provide comfortable housing for children in need, their mothers and interpreters, as they traverse the challenges of critical pediatric heart surgery and the recovery that follows.

Our goal is to serve six children per year as they receive the medical treatment they desperately need. These children will be welcomed into a space that's more than just a place to stay: it will be a sanctuary where they can heal not just physically, but emotionally as they are surrounded by love and support.

To ensure this ministry is self-sustaining, we plan to also host mission teams and interns at CorHome. The funds generated from these guests and supporters will contribute to the expenses of hosting families in need throughout the year. Additionally, when the apartment is available, the dream is for it to be rented out as an Airbnb as another layer of sustainability to help cover ongoing expenses, ensuring that we can continue offering this vital service for years to come.

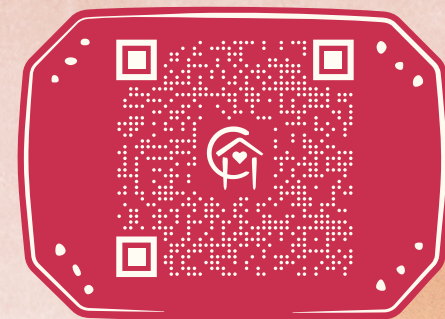

**INCA LINK ESPAÑA MISSIONARIES
DANIEL ASCENCIO & NAYELI URQUIZO**

These children, full of hope, are fighting for a chance at life.

With your help, we can give them the space and care they need to heal. Together, we can offer these families not just a roof over their heads, but a place to restore their hearts and experience the transforming love of Christ in the midst of their struggles.

Will you consider partnering with us to make CorHome a reality?

INCA LINK COLOMBIA

AS SHARED BY MISSIONARIES PAUL & LINETH OVERMOYER

Here are some highlights from this year:

- Fundraising training for our new ministries will begin in January.
- We launched/relaunched Zoe Home.
- Proyecto Confianza integrated into Inca Link Colombia.
- CrearT will probably opt out of Inca Link Colombia by the end of the year.
- We hosted one global outreach team and the ILI board meetings.
- We incorporated Link Year into Inca Link Colombia via the Overmoyers being the Link Year couple again.
- We laid the groundwork for global teams to serve in Cartagena.

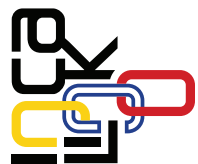

WE ARE THANKFUL FOR:

- The work God is doing in the Zoe Home girls
- Healing in lives through the ministry of Proyecto Confianza
- Funds raised for the purchase of a Zoe Home house

PLEASE PRAY FOR:

- Complete funding for Zoe Home
- A couple to step into the Link Year couple's role
- Vision for how Inca Link Colombia should develop

COLOMBIA

OASIS FORMAVIDA

AS SHARED BY NATIONAL LEADER LUCY LANCHEROS

Throughout 2025 Oasis served an average of 80 youth daily from Monday to Saturday focusing on education support, spiritual growth and social development.

We also provided workshops for youth and their parents that provided lifeskills, marketable trades and growth in their walk with the Lord.

WE ARE THANKFUL FOR:

- Transformation in families, youth, and children
- Provision for day-to-day sustenance
- Impact on the community, showing His love

PLEASE PRAY:

- That the Lord may raise up more faithful leaders committed to this beautiful work
- That we may move forward with our goal of opening a new ministry property better suited to our needs
- That our financial status would stabilize and grow to meet the demands of serving the youth of Colombia
- That we may reach more children in the community

PROYECTO CONFIANZA

AS SHARED BY DIRECTOR PAOLA ANDREA

In 2025, Proyecto Confianza has discipled 15 youths and adults, helping them grow in their knowledge and intimacy with the Lord while focusing on their life stories and helping them embrace their identity in Christ. Thanks to this, we continue to see testimonies of transformation.

We have also provided seminars rooted in scripture to help our youth find their identity in Christ, intimacy with God, and work toward healing past pains. We have worked in schools (Camino a la Cima School, San Pedro Claver Parish School), communities (Transformando Vidas and Comunidad Viva), and churches (Salitre Christian Fellowship), promoting individual and community growth.

WE ARE THANKFUL FOR:

- A young woman came seeking support in dealing with anxiety, which has led to an amazing journey where God has shown his faithfulness. She has been actively working to listen to herself, unmask her falsities, and discover who God created her to be. She has also given herself the opportunity to experience God on a deeper level.
- In March, my family asked me to be the spokesperson at my grandmother's funeral which was challenging, but I could feel God's presence guiding and sustaining me through such a difficult time.
- I am full of gratitude and celebration as I walk beside a young woman who has been able to connect with God in an indescribable way.

PLEASE PRAY FOR:

- The lives of each individual who is served by Proyecto Confianza
- Guidance and discernment in continuing to seek supporters who want to join Proyecto Confianza to gain financial freedom in areas where it is needed
- That God will perform a miracle of physical healing from the effects of COVID-19
- Strength and wisdom to continue effectively developing every aspect of Proyecto Confianza

ZOE HOME

AS SHARED BY MISSIONARIES PAUL & LINETH OVERMOYER

Zoe Home initiated 2025 by renting an apartment in a marginalized neighborhood of Bogotá, on the property of Oasis. We started in February with one young lady, Laura. In April, we were joined by another girl, Tatiana. Tatiana started GED courses and Laura got a job. Laura struggled to apply budgeting principles to her income, but then learned the joy of the freedom of becoming debt free!

As a Zoe family the girls began reading their first novel, constantly reviewed multiplication tables with Lineth and learned how to do long division.

Having paid off her debt just in time, Laura was able to join Link Year for the second half of the year, during which she got to be baptized!

Meanwhile, Tatiana has been living with Lucy, the director of Oasis and had opportunities to work towards restoring a relationship with her father.

WE ARE THANKFUL FOR:

- Laura and Tatiana maturing as persons and in their relationship with the Lord
- Laura getting baptized during Link Year
- The funds that have been raised towards the purchase of our own house

PLEASE PRAY:

- That we would complete the task of fundraising and move forward with the purchase of a property so that the vision of Zoe Home can continue to be developed

INCA LINK COSTA RICA

AS SHARED BY MISSIONARY IGNACIO "NACHO" RM

The Lord has provided a partnerships in Montufar where we are able to work in the local school and host teams. These teams helped build spaces for sport and recreation which are able to be used as a foundation for ministry. We have also established a partnership with San Pedro church where we are now meeting for English conversation.

We enjoyed our first national retreat this year after attending a regional retreat in Guatemala, both were great opportunities to draw closer as a ministry team. We also began studying scripture, praying together and reading "Experiencing God" with our ILCR missionary team and board of directors. Cumbre Alta Costa Rica was also launched with exciting goals for the future!

WE ARE THANKFUL FOR:

- New full time missionaries, opportunities to carry out a VBS program in a new public school, and our new partnerships with San Pedro church and the public school which were both fruit of our English conversation ministry

PLEASE PRAY FOR:

- Wisdom, unity, strength and peace, and that many would come to know Christ

CUMBRE ALTA COSTA RICA

AS SHARED BY MISSIONARY IGNACIO "NACHO" RM

This year we had consistent attendance from participants in our soccer ministry which exists to share the gospel with the children, utilizing soccer as a catalyst for growth and developing interest in the community. As a brand new ministry we are looking forward to all that God has in store for Cumbre Alta Costa Rica!

WE ARE THANKFUL:

- That this year, the children began to pray at each training session
- That we are making a deeper connection with each participant in the ministry
- That some of the teenagers are taking a leadership role in the ministry by sharing the Wednesday Bible teaching

PLEASE PRAY FOR:

- All the children and parents who are part of the ministry, as well as those who are yet to come, and also pray that we missionaries may continue to show Jesus in every training session

MISSION COSTA RICA & INCA LENGUA

AS SHARED BY DIRECTOR OSIRIS CT

Mission Costa Rica recently launched in 2025. We signed an agreement with Crown College to welcome residents with a 50% off tuition as they come serve with Inca Link Costa Rica for at least one year, and do online work while they're being the hands and feet of Jesus in Costa Rica.

This year, we had a vision trip for two potential students for Mission Costa Rica. We are so thankful to see God at work in all.

From Inca Lengua we had recruited two interns for ILCR. It has been amazing to see locals have a desire to serve and want to become involved in ministry and missions. We are excited to see what God continues to do.

We have also received two interns this year to serve alongside ILCR, Mission Costa Rica and Inca Lengua as they are a part of English class and serve within the college ministry.

The Lord has grown our partnership with the San Pedro church within the college campus University of Costa Rica and has grown our relationship with ECU - a Christian university student group that gathers weekly for Bible studies. We are thankful for discipleship opportunities and Jesus being exalted within the college students as we have received non-believers, atheist and agnostics to our English club. We praise God for His goodness and His continued work through these ministries and His servants.

God has been incredible in allowing weekly English summer camps and English clubs in San Pedro with students from the University of Costa Rica. From here, God has provided a connection with another public school where we have been allowed to share the gospel and the love of Christ through values programming.

WE ARE THANKFUL:

- God sent interns and what He is doing in their life, for teams to come serve us and boost the ministries, for how He continues to open doors and make connections with people and divine appointments for His glory
- Our team starting devotionals to experience God every week
- God has added adults to practice English and has also allowed us to share the gospel with atheists and agnostics

PLEASE PRAY FOR:

- Mission Costa Rica residents to come in 2026, for wisdom, and for Lee University that's coming in December 2025 and we continue a good partnership with them for future years
- Boldness and courage
- More people to join and for national leaders and/or interns to take over English conversation; harvest is plenty, the workers are few. Lord, may you send workers for your business!

TUCÁNTICO CAFETERÍA

AS SHARED BY MISSIONARY RESIDENT ERIN JARVIS

Tucántico served the local community through cups of coffee, loving service, and as a light to every person that came in through the doors. We hosted English classes regularly, along with many meetings and meals with friends, employees, and missions teams. Though we had to close our doors a few months ago, Tucántico diverted into a mobile coffee shop for a period of time, while also continuing to host English classes in the local church.

If it weren't for the platform of the cafe, we would have never met the pastor of this local church, where we pray we can open again someday in the near future.

WE ARE THANKFUL FOR:

- Brought people together to share about the love of Jesus
- Opened doors for connections in the local community/church
- Grew relationships within peers, employees, mentors, friendships, and families

PLEASE PRAY:

- Please pray for Chaz and Jean, who are coming in 2026 to start again from ground zero. We pray that God uses them and their knowledge of coffee and business to use as a platform to spread the Word of Jesus throughout this city.
- Pray for the logistical matters that also go on behind the scenes that are also complicated, complex, and confusing at times.

New Team Members

**Chaz & Jean
Frechette**

MISSIONARY RESIDENTS - TUCÁNTICO

HOW DID THE LORD LEAD YOU TO THIS ROLE?

He brought me (Jean) into the room where IL people had been just praying for someone to run Tucántico Cafe and then inspired a conversation that connected that prayer with Chaz' skill and experience. I am in awe!

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

This year he has been teaching and stretching me in regard to holding onto hope in long seasons of waiting. He has also increased my capacity for faith. And then of course He's about to change my address!

WE ARE THANKFUL FOR:

We are so thankful for the assurance that He holds us and isn't relying on our ability to do anything good. We are thankful for His faithfulness in leading us. We are thankful for our family and community, as well as the community of Inca Link. What a gift!

HOW CAN WE PRAY FOR YOU?

Please pray to see His abundant provision as we prepare to move to Costa Rica. Pray for our kids and grands as they prepare for that change, that they stay rooted and grounded in Christ. Pray for the Costa Rica team to have favor with all leadership they encounter, as well as with the youth of Costa Rica. Pray for the youth of Costa Rica whose hearts God is preparing to know and love Him. Pray for us as He prepares us to love on and connect with them. Pray that we will fit well into our team by the Spirit. Pray for God to gift a 10kg coffee roaster to Tucántico that it will be a profitable income stream for ILCR.

INCA LINK ECUADOR

AS SHARED BY ILE EXECUTIVE DIRECTOR DAVID NOBOA

This has been a year of transition in leadership. It has been challenging for our office to manage the growth of the different ministries of Inca Link in Ecuador. This has been the year in which we have received the most groups, and we are happy that next year there will be even more groups wanting to come to Ecuador.

WE ARE THANKFUL:

- For two new ministries (Líder Plus and Pluma Ligera)
- That we assisted Bonsai in purchasing their new guest house (La Maceta)
- That we assisted Cumbre Alta in purchasing their property in Yaruquí for their soccer complex

PLEASE PRAY FOR:

- Balance between office work and fundraising in order to continue growing
- A new ministry opening soon
- God's will to be done

BONSAI

AS SHARED BY DIRECTORS WILL & AMANDA EASON

We've made an intentional push to move the Ecuadorian members of our team into greater roles of leadership based on their specific gifts. The motive behind this is a desire to ensure that the ministry is increasingly less dependent on us, and that it could continue even if we weren't here. We were able to furnish and renovate our new ministry center, La Maceta, and to receive several groups there. We've also added a new family and reached out to the social worker at a local school for additional recommendations.

WE ARE THANKFUL FOR:

- Leadership growth in national members of our team
- Opening La Maceta ministry center and received teams there
- New Bonsai family

PLEASE PRAY:

- For renewed receptivity from Bonsai students to the Gospel, and wisdom to know how to share it creatively
- That the Lord would send us new families - the right ones
- For a new vehicle that would help us replace one that's too small and getting unreliable

CASA ELIZABETH

AS SHARED BY DIRECTOR MARÍA FERNANDA BELTRÁN V.

We have established ourselves as a center for prevention and support for teenage pregnancy, reaching 20 teenage girls and their children. Our service has expanded to not only serve teens, but we are also working on behalf of their children and their nuclear families, which represent a community of 80 people.

The church has embraced us, and we currently have six churches linked to community service days with Casa Elizabeth (CE), who provide us with regular support and have developed a genuine relationship with our girls.

We see ourselves as a true refuge and have provided shelter to several people when they have gone through personal, family, or health crises, providing them with a safe, reliable place where they can come to rest and be cared for while they go through difficult situations.

A couple of testimonials: Vale* – she is no longer the disqualified student, and her teachers are amazed at her progress despite her early motherhood. Belén* – she has restored her relationship with her mother, is distancing herself from gangs, and is getting closer to the church in her search for a relationship with God. Mari*—found a place to be accountable for stopping the abuse of her children and decided to attend church. Ani* and Kari*—are street vendors to support themselves as teen moms and are grateful for the support as they discover who God is.

For our beneficiaries, we are a necessary place, a place of peace that they long to attend and where they know well that our goal is to be a channel for them to know God and encourage them to have a relationship with Him. All of them are open and willing to be evangelized.

*Names have been changed to protect the identity and privacy of our girls.

WE ARE THANKFUL FOR:

- Restoring the lives of our beneficiaries in the face of the difficult situations they experience
- Bringing hope, peace, and dignity to our girls and their families
- Allowing servants from various churches to be part of this work and to experience the reality of our vulnerable group

PLEASE PRAY FOR:

- The proper formation of our team for 2026
- The strength and wisdom of the team that is close to the girls and their babies (staff, health and mental health professionals, volunteers, church servants)
- Protection for the babies, as caring for them is a very sensitive part of our ministry

CUMBRE ALTA

AS SHARED BY DIRECTOR NATHAN TAUBE

In 2025, Cumbre Alta continued to deepen its intentionality in discipleship across everything we do, centering our efforts on fostering belonging that leads to discipleship — a focus that will guide us into the coming years as well. Throughout the year, multiple teams partnered with our sites in Ecuador and Costa Rica, strengthening relationships and advancing ministry on the ground. Our camps reached nearly 1,000 children, opening doors for meaningful connection, gospel conversations, and long-term impact. We also continued investing in the community of Yaruquí, building trust and presence around the location where our new property is being developed.

At the same time, we prioritized leadership development, training our coaches not only to excel in sport but to grow as leaders who disciple with intentionality and integrity. All of this took place within our commitment to holistic discipleship, as we seek to meet the everyday needs of players and families—many of whom come from low-resourced backgrounds—caring for the whole person, not just the athlete. Together, these efforts reflect our long-term calling: to form a community rooted in Christ, built on belonging, and transformed through deep, relational discipleship.

WE ARE THANKFUL FOR:

- Having a field ready to be used on our new property by year end
- Our women's program in Ecuador being in the playoffs pushing for promotion
- Adding a number of key staff hires this year

PLEASE PRAY FOR:

- More coaches
- More disciplers
- More funding

E625

AS SHARED BY ILE EXECUTIVE DIRECTOR DAVID NOBOA

We held two national events and several local training sessions. The Children's Ministries Update Seminar reached 650 children's teachers in a full-day training session in Guayaquil.

The LED Experience, bringing together pastors and leaders of new generations, reached 350 participants from across the country.

Other training sessions were held in Riobamba, Guayas, and Quito.

WE ARE THANKFUL FOR:

- Reaching pastors and leaders from different cities, denominations, and cultures by God's grace
- Eternal connections with nationally influential leaders

PLEASE PRAY:

- That the church in Ecuador adopts a generational approach and perspective that will enable it to leave a spiritual legacy for those who come after us

EL HORMIGUERO

AS SHARED BY DIRECTOR JOSE ERAZO

This year we have reached approximately 100 new young teenagers with our summer camps, sharing the gospel with them in the company of our volunteers and short-term mission groups.

Teenagers serving other teenagers

Our Saturdays are very exciting! We welcome our teenage beneficiaries, and a group of volunteers prepares and serves them a delicious and nutritious breakfast. Then we share a devotional with everyone (beneficiaries and volunteers) as part of our discipleship plan, and finally we move on to helping them with their studies. We have four boys in 10th grade, several in high school, and some who are a little younger. Our dream and goal is to see them graduate from high school.

While all this is happening, we prepare food bags for their families and breakfast kits so that they can continue to eat properly and improve their health and physical and mental performance.

At the end of the day, we all go to the park to share a fun time together as a community, where everyone is equally welcome and loved.

This year, we delivered school supplies to all our beneficiaries to help them start the school year on the right foot, working alongside their families to see God's hand in their lives.

WE ARE THANKFUL:

- Two of our key volunteers in Ecuador and one in the USA were baptized and are taking firm steps in their faith
- After much time and effort, we have finally achieved the main goal of our ministry, which is to become "teenagers serving other teenagers"
- Building a strong plan for the next five to 10 years

PLEASE PRAY FOR:

- Our discipleship plan and for the "Colonias" plan, which will be our fundraising initiative for 2026

LÍDER PLUS

AS SHARED BY NATIONAL LEADER PAME JARAMILLO

This year, we have worked with around 35 national leaders, training them in leadership and mentoring skills based on the characteristics of Jesus as a leader and mentor.

We have also worked with 10 experienced mentors to help them refine their mentoring processes, expand their influence, and grow emotionally and spiritually.

WE ARE THANKFUL FOR:

- Breaking down denominational barriers. We currently work with four different denominations and some independent churches.
- Breaking down regional and national barriers. The leaders are from the three regions of the country, and the mentors are both national and foreign.
- Bringing brothers and sisters from the indigenous area and for raising up the leadership of single women. Until a few years ago, this was unthinkable.

PLEASE PRAY FOR:

- Guidance, direction, and resources. This year we want to reach more young people nationwide through the arts. God has given us a vision to do something big that will awaken young people who have artistic designs to worship the Lord.

NINAWACHI MISSION INSTITUTE

AS SHARED BY NATIONAL LEADER SANTIAGO SEGARRA

Here are our project focuses from this year:

- Children's Ministry
- Evangelism
- Discipleship
- Leadership Training
- Youth Ministry

WE ARE THANKFUL:

- God showed His love for children using us as a channel for their lives
- God has allowed us, through His mercy, to go to distant places with His Word
- Lives are changed, restored, and lifted up in children, youth, and adults

PLEASE PRAY:

- That God would give us wisdom to reform the entire academic area of the institute and change the methodology so that indigenous people can understand more effectively

PLUMA LIGERA

AS SHARED BY ILE EXECUTIVE DIRECTOR DAVID NOBOA

We started a pilot program to work with our church, creating stories for parents to read with their children.

As part of this program, the children starred in stories, made drawings and paintings, and even dressed up in costumes. This was done in the children's environment. A reading club was also started with the book Journey to the Invisible Kingdom as part of the pilot program.

In addition, we were able to enter a school with the same book so that teenagers could experience comprehensive reading with values. The next week, I visited that class to share with them and answer their questions.

WE ARE THANKFUL FOR:

- Connections with people who appreciate literary art. God sent a voice actor and then a sound engineer to make the audiobook of Journey to the Invisible Kingdom. That was a miracle.

PLEASE PRAY:

- We are about to send someone to voice-over classes so that we can narrate stories more effectively. We are looking for an illustrator to help us add images to the stories. All of this requires resources. Please pray for this.

PORTOVIEJO 7.8

AS SHARED BY DIRECTOR PERCY FIGUEROA

We held three VBS sessions and two medical days, one focusing on dentistry, the other on ophthalmology and general medicine. We took three trips to city parks with all the children, celebrated Family Day with parents and children from P7.8, visited each of our children's homes, and gave English classes from Monday to Thursday from 3 to 5pm for two months.

WE ARE THANKFUL FOR:

- Closer families
- God's protection for us amid threats from criminal gangs
- Teenagers seeking us out for counseling
- God giving us a great team to work with

PLEASE PRAY:

- That we will continue to raise funds to purchase our land

QUINTA CASABLANCA

AS SHARED BY DIRECTOR JOSE ERAZO

This year we welcomed more than 30 groups, including short-term mission teams from Inca Link International and other organizations that have entrusted us with the care of their missionaries.

We implemented several improvements to our infrastructure, which have allowed us to receive larger groups and provide them with excellent care.

The most common comment this year? "The food was delicious!" Thanks to Lore for her incredible care of our groups!

WE ARE THANKFUL FOR:

- Several improvements to the property, which has allowed us to offer excellent service to larger groups
- Lore and the Westphal's management was a great blessing this summer
- A large number of groups and already have many reservations for 2026

PLEASE PRAY:

- For the resources our team needs
- Some things to fix and improve in our infrastructure
- For God's wisdom and protection as we minister to groups in 2026

New Team Members

**Brandon &
Rebekah Carney**

MISSIONARY RESIDENTS

HOW DID THE LORD LEAD YOU TO THIS ROLE?

By opening and closing doors in our path and His amazing grace, love, and mercy.

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

He has called us to serve with Inca Link. He blessed us with the opportunity to witness our very dear friend who loved Jesus pass from this life.

Meet incredible new friends throughout the year and witness God's hand in so many partnerships in support raising.

WE ARE THANKFUL FOR:

- God's provisions
- Inca Link
- Our friends and family who encourage us on our journey to the mission field

HOW CAN WE PRAY FOR YOU?

That our love would increase for him and for others.

New Team Members

Jessica Marty

MISSIONARY RESIDENT - CUMBRE ALTA

HOW DID THE LORD LEAD YOU TO THIS ROLE?

When I was here last year He put it on my heart to come back and serve and this was the role that was brought up and needed and it has been pressed on my heart the importance of discipleship and evangelism even from a young age.

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

He has given my heart more gratitude and love.

I AM THANKFUL FOR:

The fact that I'm living in an answered prayer.

HOW CAN WE PRAY FOR YOU?

That I would be faithful to complete all and only what God wants me to do here during this time of life and that I would be clear on the day to day steps to take guided and filled by the Holy Spirit.

New Team Members

Sarah Rey

FINANCE CONTROLLER - CUMBRE ALTA

HOW DID THE LORD LEAD YOU TO THIS ROLE?

I first connected with Cumbre Alta through my uncle, who played a key role in allowing God to open this door for me. Last year, while I was working in Ecuador at Alliance Academy, I was actively seeking a way to continue serving in a meaningful role.

As I prayed about the next step, my uncle introduced me to Matt Kiefer, Cumbre Alta's Business Director, and through that conversation I was offered the position of finance controller. After spending significant time in prayer and reflection, I felt clearly that God was leading me in this direction. I accepted the role, and I'm deeply grateful for the opportunity and excited for this new chapter.

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

Over the last year, God has reshaped my life by teaching me deeply about gratitude and trust. Before accepting this role, I was on track for a corporate finance career. But once I arrived in Ecuador, it became clear that God had a different plan for me.

Although it was nerve-racking to set aside the corporate job I had been offered, I knew He had brought me here for a greater purpose. Following that calling required a significant amount of trust, and along the way God taught me to express gratitude in new and meaningful ways. He showed me that He can do remarkable things in seasons of transition, and I am grateful for how He has guided me through this one.

I AM THANKFUL FOR:

I am incredibly grateful for the relationships I've already been able to build here with the Cumbre Alta community, and for the opportunities I've had to learn about the lives and stories of our players. I'm also thankful for the growing opportunities to serve both in the finance side of the ministry and in the day-to-day work of investing in the people who are a part of Cumbre Alta.

HOW CAN WE PRAY FOR YOU?

Pray for new opportunities to pour into the lives of our players, and for continued growth as I learn Spanish so I can communicate more effectively with those around me.

INCA LINK ESPAÑA

AS SHARED BY ILESP EXECUTIVE DIRECTOR DANIEL ASCENCIO

We started ILEspaña in April from scratch, and despite this and a lack of funds, God has helped us to launch three projects: Colab, IVEB (Music & Arts), and Copa Inca Link (soccer tournament). Through these projects, we are sharing Christ with the younger generations in Spain.

Now we are dreaming of CorHome, which would be our fourth project.

Glory to God!

WE ARE THANKFUL FOR:

- Having three active projects
- Having volunteers for each project
- Dreaming of a fourth project

PLEASE PRAY:

- That we can lay solid foundations at Inca Link España

COLAB

AS SHARED BY ILESP EXECUTIVE DIRECTOR DANIEL ASCENCIO

Accompanying leaders on their ministerial journey.

WE ARE THANKFUL:

- Leaders have been able to count on us in their personal lives, and that has helped them unburden themselves
- That there has been growth in their ministries
- That we have been able to develop empathy
- That we are developing our first seminar (Turbo Leaders Generation)

PLEASE PRAY:

- That we can continue to maintain the good relationship we have had until now

COPA INCA LINK

AS SHARED BY ILESP EXECUTIVE DIRECTOR DANIEL ASCENCIO

We held a soccer tournament, which was the beginning of seeing where God is leading this ministry. Praise God everything went well, we had good participation and acceptance. They are already asking us for more tournaments.

WE ARE THANKFUL:

- That this project was born out of a conversation and has the potential to become a movement. Pray for each of the volunteers who joined.
- That all the teams left happy, even the last place team. This speaks volumes about the atmosphere that was created and how Christ was shown.
- For the connections that were made in this project are God's connections

PLEASE PRAY FOR:

- The next steps to take

IVEB (MUSIC & ARTS)

AS SHARED BY ILESP EXECUTIVE DIRECTOR DANIEL ASCENCIO

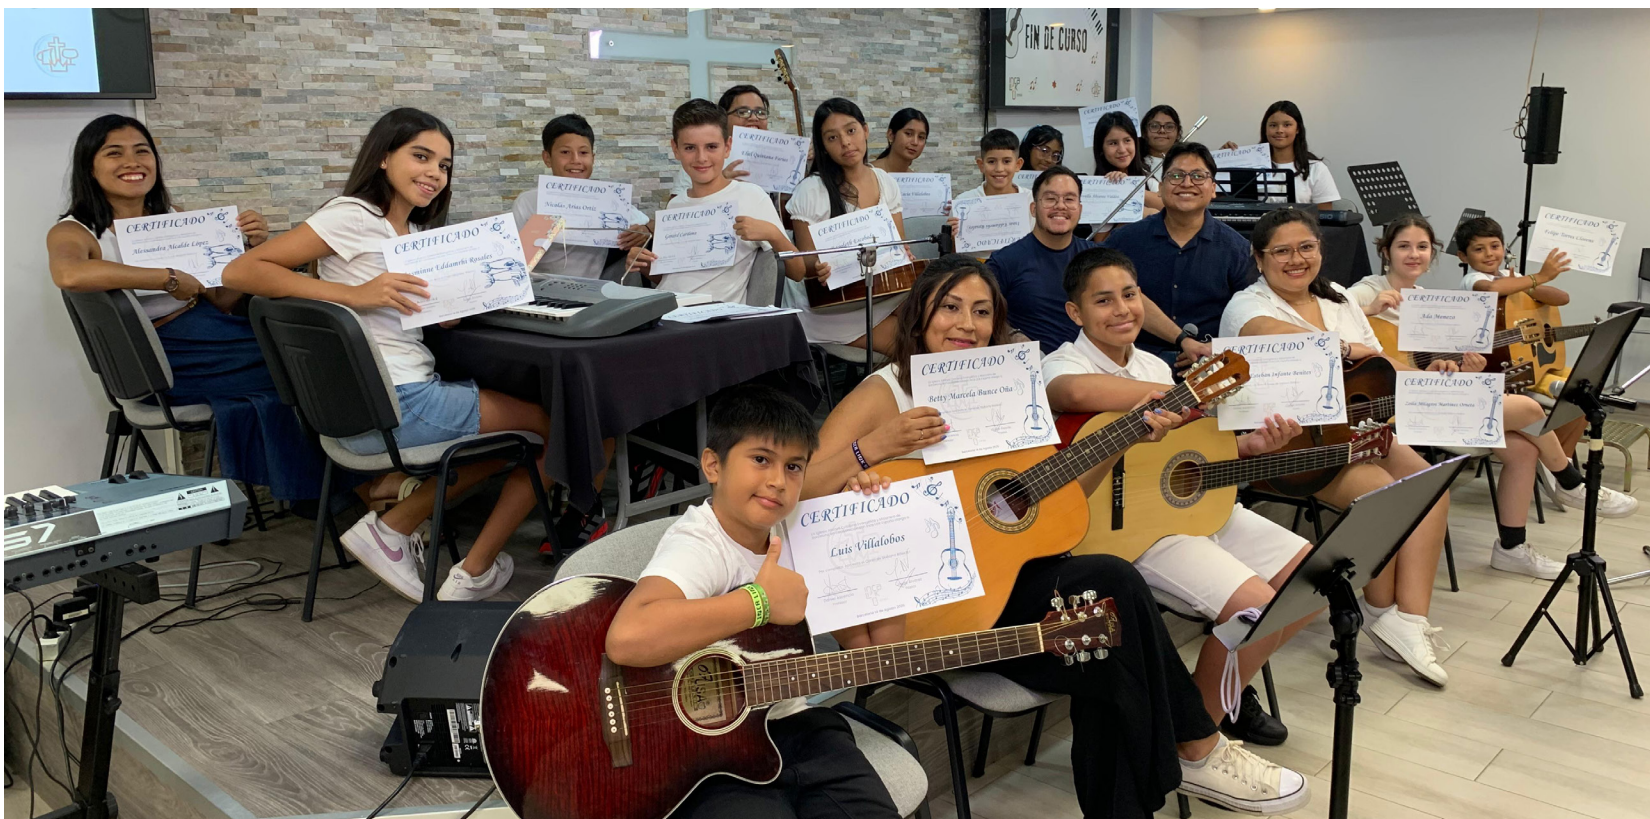

In 2025, we started teaching 32 students guitar and piano at Basic Level 1 in the summer. We finished that level with a presentation attended by the students' family and friends, a total of 60 people involved. We then continued with Basic Level 2, where 10 students continued. They have made great progress in learning their instruments, but they have also been able to bring new family and friends to the end-of-year presentation.

WE ARE THANKFUL FOR:

- Sharing Jesus with students and families, and some of the students will be baptized soon
- Students and parents asking us to continue with more levels, which shows that the quality of teaching is good and so is the methodology
- Reaching talented students who could not afford a music school in Barcelona, but because of our affordable prices, we are cultivating the talent that God has given them

PLEASE PRAY:

- That these students continue learning and become part of a local team in the future

INCA LINK GUATEMALA

AS SHARED BY ILG EXECUTIVE DIRECTOR MARIO HERRERA

The year 2025 has been a time of hard work and profound learning for Inca Link Guatemala. Marked by significant challenges and sustained constantly by prayer, this year represented a turning point for our ministry. My wife, Elizabeth, and I began our work as executive directors, and together we have had the opportunity to learn firsthand

about the realities, needs, and hopes of Guatemalan families who have received God's love through Manos de Cristo.

Without a doubt, we faced difficult decisions and moments of deep evaluation; however, at every step we saw the Lord's faithfulness guiding, affirming, and reminding us that His will is always the best path.

Today we move forward with conviction, knowing that He is and will continue to be the firm foundation that sustains our mission and drives us to continue serving with excellence, integrity, and hope.

Main Activities and Achievements

- Institutional transition and strengthening
- Direct accompaniment and comprehensive support for Guatemalan families through Manos de Cristo by means of academic sponsorship so that children can study and grow holistically
- Renewed focus on discipleship and preparation for 2026
- Strategic decision-making for the health and sustainability of the ministry
- Sharing and presenting the ministry of Inca Link with different churches
- Delivery of food supplies to vulnerable families

WE ARE THANKFUL:

- To God because His faithfulness has sustained us every step of the way this year. Amid challenges, difficult decisions, and growth processes, He has been our rock and our constant guide. We recognize that none of what we have achieved would have been possible without His presence, His grace, and His daily provision.
- For allowing us to see His hand at work in the lives of children, youth, and families. He opened doors, touched hearts, and brought hope where there was pain. Every story of transformation, every step forward in discipleship, and every family reached are evidence of His love that restores and renews.
- For reminding us that this is His ministry and that He is the one who directs our path. He has taught us to trust, to depend on Him, and to walk in obedience. With deep gratitude, we look at what He has done in 2025, and with faith, we move forward toward what He will do in 2026.

PLEASE PRAY:

- That we may reach more young people. Pray for opening doors, providing resources, and preparing the hearts of young people to receive His truth and walk in a genuine relationship with Jesus.
- For wisdom and provision in the development of new projects that address the emotional, spiritual, and family needs we have seen this year. May each initiative be guided by the Holy Spirit and bear lasting fruit.
- To raise up more volunteers, leaders, and committed collaborators, people filled with love and passion for serving the youth and families of Guatemala. May He send workers and strengthen the team to move forward with excellence in 2026.

CREACIÓN DE DIOS

AS SHARED BY RICH & ELISA BROWN

Over the past two years, Inca Link Guatemala (ILG) has provided consistent coaching and support to strengthen budgeting and receipt-tracking practices required by ILG policy and Guatemalan regulations. Unfortunately, a recent routine visit to Creación de Dios raised concerns about program consistency, and key financial and operational questions remained unresolved.

With that said, and after careful review and much prayer, the board of Inca Link Guatemala, our Regional Developer of Central America, Daniel Ascencio, and our founders Rich and Elisa Brown, have concluded that ILG will end its partnership with Creación de Dios effective January 1, 2026. As hard as this decision was, we at Inca Link International support it as a matter of faithful stewardship.

We are grateful for Helen's long standing heart for her community and for the children who have been served. Gratefully, she received the board's decision with grace. While we do not yet know her next steps, we remain committed to praying for her, for her children Kenia and Kenny, and for the children of the community.

If you have any questions, please feel free to reach out to Rich and Elisa Brown at brown@incalink.org.

MANOS DE CRISTO

AS SHARED BY RECRUITERS SHAWN & LISA BRADLEY

In 2025, we were able to complete our financial transition working with the team in Guatemala for payments and sponsorships. We were also able to reset our ministry to accommodate for more discipleship going into 2026. We continue to see multiple families helped with school, small projects being done in their community, and breaking the chains of financial and spiritual poverty as these children and their families are exposed to the Gospel.

WE ARE THANKFUL FOR:

- The creation of a strong team on the field for finances, communication, and now discipleship
- Seeing God moving in the lives of the families that are sponsored through our program
- God leading us to more families that need help and need Him

PLEASE PRAY:

- As we begin to plan for discipleship this year. We'd like discipleship to be one night a week (outside of normal church services) where our sponsored kids come and are involved in the program. We are praying for materials and helpers.

INCA LINK HONDURAS

AS SHARED BY ILH EXECUTIVE DIRECTOR CARLOS SOTO

In Honduras, we were able to start a new project that has two goals: to serve the community and to reach more teenagers and young people. It began with guitar lessons and later evolved into English classes led by a temporary missionary. Today, El Recreo continues to operate with local volunteers. Thanks to God, we have been able to reach three groups from different schools.

CLASES DE INGLÉS

AS SHARED BY ILH EXECUTIVE DIRECTOR CARLOS SOTO

We served two groups of children and adolescents through the project. The first group consisted of six people and the second of 12. The first group was led by Everet, an intern from IL Canada. We used the facilities of the Christian Family Church, where we also planned to accompany and disciple the children and young people.

WE ARE THANKFUL FOR:

- New volunteers involved
- New people reached
- Consolidation of some volunteers in the local church

PLEASE PRAY FOR:

- More volunteers; we always need extra hands
- More short-term mission groups
- Funds for new projects

WE ARE THANKFUL FOR:

- New local volunteers involved
- Partnership with the local church
- This project growing to be city-wide

PLEASE PRAY FOR:

- More volunteers
- A new group to reach
- Funds to improve teaching methods

CASA ONESÍFORO

AS SHARED BY NATIONAL LEADER YANNYS DANELSSY BARRIENTOS

We carried out a project called “the garden,” where we planted vegetables with the children and it was a time of learning.

At the end of each month, we gave awards to those who did or fulfilled certain rules and activities at Casa Onesíforo.

Once a month, we held a day of games and activities that were creative, enthusiastic, fun, and educational.

We held a family day where we shared with parents and children.

We celebrated Children's Day.

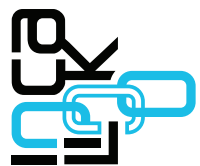

WE ARE THANKFUL FOR:

- The volunteers and all the work and effort they put into continuing the ministry
- Our sponsors, who have continued to help us on a permanent basis, and others who have helped us consistently
- The aid that has arrived this year through Inca Link, which has helped us to complete small projects that we had planned for 2025

PLEASE PRAY:

- For more volunteers and that the Lord always guide us in His will, helping us to fulfill the objective with which Casa Onesíforo was founded

HONDURAS

EL RECREO

AS SHARED BY NATIONAL LEADER OLVIN MENDEZ

El Recreo provided opportunities for play, recreation and physical fitness once a month at a public elementary school. The program consisted of games, activities, songs, and a Bible reflection all with the goal of physical, mental and spiritual growth.

We served 118 children ages 6 to 12 throughout the year, and look forward to all God will do through this ministry in 2026.

WE ARE THANKFUL:

- A first-grade girl named Zisly has decided to attend Sunday school at the local church more often
- Teachers have been more open to allowing us to go and share the word of God at the school
- Parents have responded positively to the program

PLEASE PRAY:

- For more workers. The teachers give us the opportunity to go to school at least once a week, but there are no volunteers able to serve in this capacity.
- That God will provide us with funds for additional materials and food for the children

LA SIERRA

AS SHARED BY DIRECTOR MIRIAM JUDITH MEZA AND CARLOS SOTO

We are focused on ministering through literacy support, Bible classes, and recreation through soccer, all of which we are providing three days a week in our community. Throughout the year we also celebrate special dates: Valentine's Day, Mother's Day, Father's Day (both Mother's Day and Father's Day provide opportunities for us to connect with the parents of our children, Children's Day (a great opportunity to reach more children in the community), and Christmas (which we are still looking forward to).

We joined another project to celebrate its anniversary and were able to meet other children who are being helped in their secular and spiritual lives.

WE ARE THANKFUL:

- Through literacy classes, Yoni, Mileydi, and Yeison improved their grades at the school they attend every day
- God blessed us with a new volunteer who is eager to serve
- To have grown closer to the other projects here at Inca Link Honduras, and feel very blessed for that

PLEASE PRAY FOR:

- Wisdom in 2026 to involve the parents of our children more
- A male figure to connect with teenage boys and who loves playing soccer
- Clarity in our vision and activities to be carried out in 2026

INCA LINK PERÚ

AS SHARED BY ILP BOARD PRESIDENT & ACTING EXECUTIVE DIRECTOR WENDY TEJADA DE RODRÍGUEZ

This year, God has been good to Inca Link Perú (ILP). We had an increase in visits from short-term mission groups, the properties are now formally registered in ILP's name, and Amijai has begun construction on its own premises. MANÁ is in the process of obtaining permits for its premises after all the necessary repairs have been made.

WE ARE THANKFUL FOR:

- God's faithfulness in sustaining projects amid changes in ILP administration
- The blessing of having a fence for greater security on the property of Inca Thakhi, Amijai, and the groups that come to visit us
- Becoming better known in Perú thanks to the spread of social media

PLEASE PRAY FOR:

- The election of the new board of directors in January 2026
- Provisions for the improvement of the accommodation facilities

AMIJAI

AS SHARED BY DIRECTOR BRENDA MOYA

Here are some highlights from this year:

- Construction began on the Amijai space.
- We identified specific cases of violence and treated them with psychological support.
- The Rapha entrepreneurship group worked with mothers from different workshops.
- We went through the Bible series established by the local church for children.
- Our reinforcement and homework group has led to a considerable improvement in our children's grades.
- Our devotional times in each area has strengthened the bond with Christ and the church, and the activities have united families.

WE ARE THANKFUL FOR:

- Grace
- Guidance
- Provision

PLEASE PRAY FOR:

- More volunteers
- The volunteers we already have
- The provision for our 2026 programs

ELIM

AS SHARED BY DIRECTOR OLENKA GRIMANEZA CORDOVA SALINAS

Our ministry focused on supporting values in children and adolescents, strengthening schooling, Bible study, arts and crafts workshops, and ministry to people with disabilities in the El Milagro sector.

WE ARE THANKFUL:

- To see God's work in the children and teenagers of El Milagro, as they learned to know God more by studying His Word
- That our women in the weaving workshops were able to sell their products to bring money home to their families
- To see God's work in people with disabilities

PLEASE PRAY:

- That many more will learn about the Elim ministry and come to know that Jesus can transform their lives

INCA THAKHI

AS SHARED BY DIRECTORS ALEX & JOCA CASTRO

In 2025, as Inca Thakhi, we were able to involve a team of 10 preteens to be our supporters and participate in small groups at the local church.

We also continued to develop our weekly activities with our leadership teams, with whom we have been able to hold weekly meetings and coordination sessions. We have also resumed times of intercession for the lives of our participants and the development of the team.

One of the things that has encouraged us the most is the participation of 20 new children from the community who visit us in the project, which allows us to continue working with more openness towards others.

WE ARE THANKFUL:

- For the spirit of service that God has placed in our team of leaders, supporters, and volunteers who, despite limitations, long to see the little ones grow in Christ
- That God continues to add more children and volunteers from churches little by little; it is always good to see that we still have room to grow as a healthy challenge
- That in the midst of needs, God has provided what is necessary, and we continue to trust in His provision

PLEASE PRAY:

- That we may continue to motivate young people from local churches to serve alongside us
- That we may reach more children in the community surrounding the ministry
- For the hearts and lives of the leaders and their families who constantly face financial and health difficulties
- For the lives of the preteens we support, that we may accompany them as they make decisions about their faith and sponsor them in their growth and development
- To be able to build a safe and adequate classroom for young children
- To be able to have chairs, tables, and furniture for infants and children
- To be able to use the ministry space efficiently and be good stewards

God has moved significantly in and through MANÁ in 2025 in many ways. We have worked with the cooks to improve our free lunches to be more nutritious and full of iron, and have seen a radical drop in anemia and malnutrition.

We have seen a significant increase in the children's grades through the homework help program, which has also helped increase self-confidence in the children and hope for a brighter future. MANÁ has all seven of our high school seniors graduating next month! This is a big deal as they are breaking generational poverty cycles, as the majority of their parents only got to study up to the elementary level of schooling.

It was also a successful year of workshops; from sewing, to baking, Canva to knitting, and more. The kids not only grew in skill and creativity, but many have been able to make a profit from what they've made to help their families. There has also been a big growth in fellowship through monthly events/field trips, with playtime, and sharing with one another in prayer.

This year, we have been able to not only connect with the kids, but a lot more with their parents as well, through meetings, events, social aid, and home visits. MANÁ also finished painting the

bottom-level classrooms and re-did the building's roof, plumbing, and electrical system to be up to code and safer. Twenty-four children were newly sponsored this year alone!

MANÁ also focused on mental health and the kid's emotional needs more this year through their prayer and care journals and weekly mental health lessons. And most of all, God used all these fruits to bring others closer to Him. We had intimate prayer and devotional times with the kids and showed them how they can have one one-on-one time with God and be in His Word. There was a major increase in the kids' curiosity and openness to faith, salvation, and going to church! Praise God!

WE ARE THANKFUL:

- God brought down walls and used MANÁ as the kids' (and their families) safe place for mental health, to share vulnerably, and pray in community. Weekly, we shared together, journaled, and worked through various mental health exercises in our Care and Prayer Journals. God used this time for processing and healing, growth in relationships, and dependence on the true Healer.
- God used our daily homework help time and did wonders. We just had home visits, and all parents agreed that they've seen a significant increase in their child's grades and educational performance, thanks to MANÁ. One example is that all 7 of our high school seniors are graduating next month. All of them are the first in their families to get this far, and they all desire to continue studying and are being evaluated to receive scholarships through Inca Link. This is a big deal as they are breaking generational poverty cycles, as the majority of their parents only got to study up to the elementary level of schooling.
- The ministry was significantly underfunded last year. At the start of 2024, MANÁ had only about a quarter of the children in the program sponsored. This year alone, through sharing, as well as interns and short-term teams, 24 children were sponsored! With an over \$1000 increase in monthly donations. We not only covered all the kids we had in the program, but we were also able to finally allow new children into the program who were on the waiting list. PRAISE GOD!

PLEASE PRAY:

- God is multiplying the children joining the program, the fruits and harvest, but the laborers are still very, very few. We are significantly short-staffed and have very few volunteers. There is a long waiting list of kids who want into MANÁ and need the help. Although we have recently slowly started receiving new kids into the program, without more help and eyes, it can be a safety risk and a burnout risk for us and our small team.

MISIÓN MÁS VIDA

AS SHARED BY PASTOR ANTONIO ARGUMEDO

In 2025, we have worked to deepen our leadership by emphasizing our study of the "Analogy of the Tree," especially our "roots," and prioritizing the "blue zone" according to the "Full Spectrum" with the goal of beginning deep discipleship in 2026 through small groups.

WE ARE THANKFUL:

- To God for allowing us to strengthen young people in their faith
- That some of them have responded to the Lord by preparing themselves more deeply in a seminary
- That we have taken a big step forward in strengthening new leadership

PLEASE PRAY:

- That God will continue to raise up people committed to Him
- That we will have a place where we can welcome more people and serve them in an adequate facility

RUNA SIMI

AS SHARED BY MISSIONARIES PABLO & KUSI SACCSARA

Evangelism and Discipleship:

Train and Multiply Project: Six training sessions were held for Quechua pastors and leaders in Andean and jungle areas.

Women of the Bible Workshops: Three workshops were held for women leaders in Ayacucho and Chazuta. These training workshops use the theme “Women of the Bible” and other simplified Bible study materials in Quechua to equip women leaders, who then train other women in their communities. The goal was to reach 200 women this year.

Four Conferences for Quechua Women Leaders: One in Ayacucho, Tarapoto, Cusco, and Chosica.

One Youth Conference in Chosica: We also work with teenagers and young people weekly throughout the year, five days a week, at the Runa Simi center. We reach more than 60 young people from the Andean region, the jungle, and Lima.

Children’s and Puppet Ministry: Reaching more than 15 Quechua-speaking communities during 2025.

Radio and Communications:

Our Quechua radio programs have a wide reach. Each year, they reach approximately 13,250 people through our programs, either on the radio, internet radio, or by tuning in from other countries.

A basic Bible promotion workshop and conference was also held, providing training to leaders and equipping them with audio and video players to help promote the Bible. This basic training workshop was held in Ayacucho for leaders on how to use Bible videos to reach and disciple Quechua people for Christ. The goal is to evangelize and reach families and communities in both Lima and the highlands. They include the Jesus Film, the Luke video, the Genesis video, and the History of God video (plan of redemption). A conference was also held in November in Ayacucho to bring together all the leaders who have been traveling with the photoframes to receive additional training and have a time of fellowship.

Audio Bibles: In collaboration with Faith Comes by Hearing, Runa Simi distributed approximately 1,400 audio Bibles (Proclaimers or solar audio players) with the Quechua Ayacucho Bible narrated to churches and community groups in 2025.

WE ARE THANKFUL FOR:

- Watching our youth who we’ve been discipling accept Jesus as their Savior and some got baptized this year
- Watching others, especially those not expected to step up into leadership and do well
- God’s provision for the ministry and how things came together, definitely a God thing

PLEASE PRAY FOR:

- God’s continued provision
- More locals to step up and volunteer
- The whole Runa Simi team who work full time in Andean and jungle communities (it’s not easy)

The distribution includes:

- 800 audio Bibles in the Quechua region of Ayacucho.
- 300 audio Bibles in the Cusco region.
- 200 audio Bibles in the Aymara region.
- 100 audio Bibles in Spanish.

In addition, Runa Simi distributed 400 “In Touch Messengers” to literacy groups and families.

Literacy:

Literacy materials and Bibles in Quechua for new readers. Runa Simi has three full-time literacy trainers and plans to hold 12 training seminars in 2025, including six for new literacy projects and six for ongoing programs. The program also teaches simple Bible courses to an estimated 100 pastors and leaders, encouraging them to read the Bible in Quechua. Follow-up support will be provided to ensure ongoing training and supervision.

Health:

In addition to our fitness courses, we also held two health workshops on how to prevent chronic diseases.

Christmas Project:

Our goal is to reach 1,550 children in Quechua communities this December 2025 with gifts, panettone, hot chocolate, and the message of the gospel in the regions of Ayacucho, Huancavelica, Andahuaylas, Cusco, Tarapoto, Pichanaki, and Lima. The project also provides food baskets to pastors and senior citizens, when possible.

INCA LINK USA

AS SHARED BY ILUSA INTERIM EXECUTIVE DIRECTOR AMANDA BURGE

ILUSA is in its early stages of development with one ministry thriving and others on the horizon. Cumbre Alta Bossier City, as well as Summer Soccer Camps run in partnership with Casa Deportiva Cumbre Alta, is the current ministry of ILUSA.

However, we are in the process of launching a new ESL ministry as soon as a Director is hired.

WE ARE THANKFUL FOR:

- A board of directors focused on leaning into where the Lord is leading
- A new Site Director for Cumbre Alta Bossier City who is dedicated to not only growing the soccer club, but more importantly introducing the athletes and their families to the Lord
- Continued growth of the soccer club, both numerically and spiritually

PLEASE PRAY:

- That God would provide the right individuals to carry out the roles of Executive Director and Director of the ESL ministry. There are so many opportunities for ministry in the United States, we simply need to have the right individuals in the right places to steward those opportunities.

CUMBRE ALTA BOSSIER CITY

AS SHARED BY MISSIONARY BRENDAN CAMPAGNA

In 2025, we saw success both on and off the field. Our U19 boys team qualified for the US Club National C, which they played in this summer! We also began operating at Northport Sports Complex, our new home and strategic partners. It has been awesome to see how the Lord has used this relationship to provide opportunities for us to expand our reach in the community. Through it all, we are continuing to establish a culture of discipleship within our coaching ranks in order to reach the youth in our care.

WE ARE THANKFUL FOR:

- Continued Growth! We went from nine teams up to 13 for this school year.
- Growth in our staff. In addition to adding a handful of part-time staff and volunteers, we have brought on a new full-time site director to help guide the club's long-term vision and strategy.
- Our favorite praise is a story told to us by a parent. Each Thursday we end our training sessions by gathering all teams together for a short devotional led by Coach Orlando. A few weeks ago, a parent shared that their child had been sharing the devotional topic from a few days prior with some friends. In a setting where we are not always sure kids are actually listening, it was gratifying to hear that our messages are taking root!

PLEASE PRAY:

- Our most strategic endeavor for 2026 is to grow our coaching staff while also improving our discipleship and training of those coaches. Pray that the Lord would prepare the right people to join us as coaches. And pray that we would have the discernment and courage to ensure that only the right people are working with us.

New Team Members

**Brenden
Campagna**

SITE DIRECTOR - CUMBRE ALTA BOSSIER CITY

HOW DID THE LORD LEAD YOU TO THIS ROLE?

I had been connected to Cumbre Alta for three years prior to this year, and at a few different times there had been discussion about me joining the team, but it had not felt like the right timing. But this year, when approached about joining the staff in Louisiana, it felt like the Lord was getting our attention in a new way. My wife and I prayed about it and knew the Lord was taking us to Louisiana for this next season of life.

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

He has brought me to a new place and placed me in a new community.

I AM THANKFUL FOR:

I am thankful for the people I have been getting to know.

HOW CAN WE PRAY FOR YOU?

Please pray for clarity of purpose and vision in my work with Cumbre Alta.

INCA LINK CANADA

AS SHARED BY ILCAN EXECUTIVE DIRECTORS ALEX & JOCA CASTRO

We have been able to work alongside some churches in the district to motivate them and share about opportunities to participate in Global Outreach Teams.

We are constantly reviewing processes and ways to facilitate information, communication, and resources for churches in Canada that want to get involved with Inca Link.

We have participated in retreats, conferences, and talks with teenagers, young adults, and pastors who are considering visiting Inca Link sites in various countries.

We are constantly talking to and looking for candidates who are interested in being coaches or interns and who have a passion for sharing the irresistible love of Christ.

WE ARE THANKFUL FOR:

- The openness we are finding in youth pastors to get involved in missions
- The desire of the next generations to serve and broaden their perspective of Christian life in other places
- God's care for our family in the midst of limitations and difficulties. God has been faithful and has sustained us at all times.

PLEASE PRAY:

- To continue seeking ways to make administrative processes legal, formal, and efficient for every individual and church in Canada
- For wisdom and grace for new churches and youth groups that may become involved with Inca Link in Canada
- For the care of our sons Levi and Liam, our marriage, and our family, that we may be good LISTENERS to God's voice and honor opportunities to serve

LINK YEAR

AS SHARED BY MISSIONARIES PAUL & LINETH OVERMOYER

Dates: June 20 – December 19

Link Year has toured and participated in the Inca Link ministries of Colombia, Ecuador, and Perú with four young adults. We have been super excited that each person represents in their personal story a different Inca Link ministry.

Laura joined us from Zoe Home in Colombia.

Luis comes to us from Oasis in Colombia.

Saul is a graduate of Ninawachi Mission Institute in Ecuador.

Kaelyn was a member of a global outreach team to Trujillo, Perú.

This is the first Link Year to be comprised of both North Americans and South Americans.

How cool is that!

During Link Year, these young people have been challenged to get out of their comfort zones, learned to serve, learned to work as a team, and been challenged to see things from different cultural

perspectives. They are learning of the identity they have in Jesus, learning to let him live His life in them and to walk in that destiny.

One of the Linkers, Laura (from Zoe Home), was baptized in Ninawachi. What a joy it was to walk alongside her in that step of faith.

WE ARE THANKFUL FOR:

- Spiritual growth in each of the Linkers
- Laura getting baptized
- Broadened perspectives in their world view

PLEASE PRAY:

- Link Year needs a new couple to lead and disciple the next Link Year. Ideally someone who could do it for multiple years.

ROOTS

AS SHARED BY FOUNDER ELISA BROWN

Roots is a new, internally-run onboarding process that helps fast-track new hires to deeply know the Inca Link DNA and how we reach the next generation for Christ.

In a matter of months, we were able to set up and run our first ever Roots cohort, starting at the end of January 2025. We had six students, and five teachers. The first cohort was able to meet in person, only once in May, and the rest of the teaching time was over Zoom. It was good, but not ideal. Cohort 2 started at the end of August, where we met in person initially, had Zoom classes throughout the months of August and September. We met again in person for our in-person service, Exodus Forward, time in Ecuador. It was a great way to end Roots.

WE ARE THANKFUL:

- God brought us a great mix of students
- God provided passionate teachers with good content
- With each cohort, we felt we were getting better and also falling into an easy rhythm

PLEASE PRAY:

- That Cohort 3 starting in January 2026 will have more than the five students signed up as of now, and that it will be impactful and a blessing to all who are a part of it.
- For Cohort 4 beginning in August and that it will be impactful and a blessing to all who are a part of it. Praise God with us that we have enough teachers to spread the teaching load around.

New Team Members

Shane & Rebecca Westphal

GLOBAL OUTREACH COACHES

HOW DID THE LORD LEAD YOU TO THIS ROLE?

Rebecca and Shane have always felt a calling to missions. Both had participated in short-term missions prior to meeting each other. Rebecca was a missionary teacher in Santa Cruz, Bolivia for a year. Their first date was actually looking over photos and talking about their mission trips! The plan was to go into full-time mission work after Shane retired from being a firefighter/paramedic in 11 years. But God had different plans.

In December of 2022, Shane volunteered with the safety team at the Urbana Missions Conference and Rebecca joined him to look for an organization that our church could partner with to take a team to Bolivia. This is when we met Rich and Elisa Brown. They told us that Inca Link currently wasn't in Bolivia but they were always squinting their eyes and ears to what God has for them and welcomed the opportunity for our church to take a team down to Bolivia with Inca Link. Shane and Rebecca, along with Rich and Elisa went on a vision trip to Bolivia in November of 2023 and the team traveled to Bolivia with Inca Link in March of 2024.

It was during this trip that Rich and Elisa asked Shane and Rebecca to consider going on staff with Inca Link as Global Outreach Coaches. After much prayer and discernment, in October of 2024, Shane and Rebecca committed to serving with Inca Link. On May 15th of 2025, Shane worked his last shift at the fire department and on June 8th of that year, the entire Westphal family flew down to Quito, Ecuador where they served alongside many of the Inca Link Ecuador ministries as Global Outreach Coaches. They returned to the US at the end of summer and continue in their role as Global Outreach Coaches. The family will return to Ecuador next summer.

HOW HAS THE LORD CHANGED YOU/YOUR LIFE THIS YEAR?

God has shown us that we need to have complete dependence on him and that we need to trust in his provision. This has challenged us to trust his faithfulness to the calling he has placed on our lives.

WE ARE THANKFUL FOR:

We are thankful for the provision and support that God has provided for our ministry.

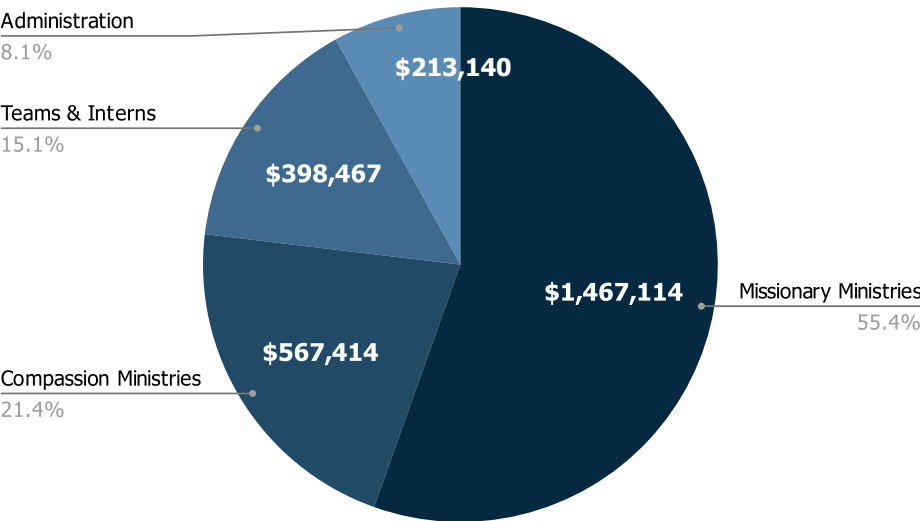

We are thankful for the things that God has shown us and how he has grown us throughout this time and the things he shows and continues to grow our three kids with through this calling.

HOW CAN WE PRAY FOR YOU?

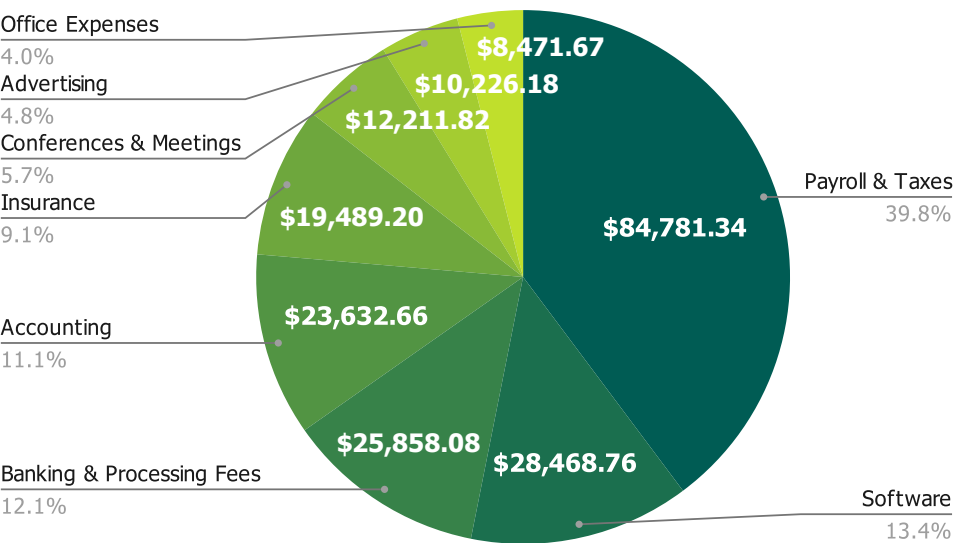

Pray with us as we continue to build our ministry partnership team and get to a place of being fully funded. Also pray for us as we help teams grow a lasting, missional, kingdom mindset.

COLOMBIA

Oasis is a sponsorship program that serves close to 80 at-risk kids, whose families are garbage recyclers. The program enables children from the local community of Santa Cecilia to attend the program at the church five days a week. Children receive lunch, academic help, and most importantly, daily Biblical teaching and a beautiful glimpse of Christ's love for them.

Proyecto Confianza seeks to equip younger generations, parents and leaders to live an authentic and transforming faith from their identity in Christ through personal discipleship with high-impact biblical training.

Zoe Home's mission is to provide Colombian teens from troubled homes with a safe place to heal, learn, and grow.

COSTA RICA

Cumbre Alta Costa Rica is an outreach ministry for adults and children. Cumbre Alta Costa Rica introduces basketball skills, soccer skills, and training to local neighborhoods. They are teaching basic sports skills to the next generation of players all while introducing them to the love of Jesus.

Inca Lengua gives low-income families the opportunity to learn English in a way that not only opens doors of physical opportunity but also spiritual.

Mission Costa Rica is focused on introducing the next generation of students to international missions through hands-on ministry in Costa Rica.

Tucántico is a coffee shop that embarks on a dual mission: to sustain ministry initiatives and nurture spiritual growth. As the current in-country primary revenue source for Inca Link Costa Rica, every cup brewed and pastry served directly supports vital outreach programs.

ECUADOR

Bonsai is a daycare program that meets five days a week. Bonsai carries out their ministry in a holistic approach that focuses on the emotional, physical, and spiritual health of their students.

Casa Elizabeth works in the prevention and accompaniment of teenage pregnancy with the vulnerable population of the northern sector of Quito.

Cumbre Alta serves youth and children through soccer and, in the future, other sports. The coaches, who are all Christians, use soccer to build genuine relationships that lead to opportunities to disciple their players, most of whom are not yet Christians.

El Hormiguero is a social help program where families in vulnerable situations such as poverty, catastrophic illnesses and migration, can exchange plastic bottles for a food basket of non-perishables.

E625 offers training and the best resources to those working to disciple the new generation of six- to 25-year-olds.

Líder Plus mentors new generation leaders by providing resources and tools with a focus on discipleship and developing in them the character virtues of Jesus.

Ninawachi Mission Institute is a missionary training institute located in the jungle. The goal of Ninawachi is to train up missionaries from the local indigenous communities to return to their communities and share the Gospel with their people in their native language.

Pluma Ligera shares Christian values through storytelling contests and writing schools.

Portoviejo 7.8 is a daycare program that meets three days a week and works with the children who live near the garbage dump in Portoviejo.

Quinta Casablanca is Inca Link's guest house, making the mission field feel like home and a piece of heaven. It also houses retreats, pastors, and leaders.

ESPAÑA

IVEB (Music & Arts) disciples young musicians to enjoy the music that God has created, share with others and generate disciples of Jesus.

COLAB's mission is to accompany local leaders in the development of their ministries and provide them with tools to help them bear fruit.

Copa Inca Link uses soccer as a connection between believers and non-believers, and thus share in the irresistible love of Christ.

CorHome longs that the heart of every person who stays there will be touched by the irresistible love of Christ.

GUATEMALA

Manos de Cristo is a child sponsorship ministry providing educational support for kids to get a quality education who typically would not be able to afford it. By providing for their educational needs, these kids and young people are breaking the cycle of poverty.

Partnerships: Inca Link Guatemala is partnering with Alas, a ministry that impacts different parts of Guatemala.

HONDURAS

Casa Onesíforo serves the new generation of Támara through a feeding program, showing the love of Christ practically.

Clases de Inglés reaches their community by teaching English classes free of charge and by dissimulating the attendees with the help of the local church.

El Recreo is a project that started when leaders from Inca Link Honduras realized the local school in Pueblo Viejo did not have a recess time for the kids. This project runs activities with the kids during their new recess time and seeks to teach the children that Christ is not boring.

La Sierra involves a team that is working with the children and youth of La Sierra, Intibucá, Honduras, because they believe that God has placed them there to share God's love and help the children better understand how important they are in their community. This program emphasizes discipleship and teaching reading, writing and math.

INTERNATIONAL

Corban is an international traveling worship band whose mission is for each presentation to connect the hearts of the people with the heart of God.

Link Year is a gap year program that allows participants to grow deeper to go deeper within a life-on-life discipleship community.

MÉXICO

We are excited about the ministry opportunities that exist in México and are confident God will bring the right long-term missionaries to Inca Link to support locally led ministries serving the vulnerable throughout the Tijuana Region.

PERÚ

Amijai is a ministry for women, children and teens. Amijai uses fellowship with the mothers and their children as an opportunity to teach handiwork, cooking, art, and share the Gospel.

Elim is a ministry near the garbage dump. It operates several days a week serving the community in a variety of ways. The hope is that Elim will raise up a generation of leaders who will continue to impact their community.

Inca Thakhi is an outdoor camp and sports ministry. The Inca Thakhi team provides an ideal space for the kids and youth of the Victor Raul district to foster a deep relationship with Christ via discipleship through adventures in nature.

MANÁ is a day care center, and programs happen there five days a week. MANÁ is working on loving the children of the community, mentoring and discipling teens, and bringing unity to families through spiritual growth.

Misión Más Vida is a church that is reaching the next generation in Lima, Perú, and coordinates with other churches in Lima. It is growing fast with new conversions and baptisms every year.

Runa Simi is a ministry that exists to reach the indigenous people groups of Perú with the Word of God in their own languages. Runa Simi runs a literacy program so people can read God's Word and grow closer to Him in their own personal relationship.

USA

Cumbre Alta Bossier City is a soccer club located in Bossier City, Louisiana. Their goal is to steer the players to the skills they need to better themselves as players and lead them off the field with the word of God.

Cumbre Alta Fútbol Camp is a series of bilingual youth summer soccer camps throughout the United States hosted by Casa Deportiva Cumbre Alta from Quito, Ecuador. The staff is made up of Cumbre Alta professional soccer players and coaches. They seek to provide a professional quality soccer camp experience to those who may not be able to access an opportunity like this otherwise.
